Super Typhoon Champi – East Asia Ports

Dear Valued Clients & Agents,

Another typhoon is approaching Taiwan and Japan. It will likely affect all ports on the East Coast of Asia with more sailings abandoned and containers delayed in transit.

Several hundred flights have already been cancelled affecting transit cargo from Europa and the US as well as shipments originating in Japan, South Korea, Taiwan and China.

We are writing to inform you that sailings from China, Taiwan, Japan and PR Korea are now delayed, and many vessels have remained in port waiting for safe transit conditions.

Book Systems International is actively monitoring the situation and will share updates as conditions change. If you have any questions or concerns, please don't hesitate to contact our teams.

We appreciate your patience and cooperation during this time.

Yours sincerely,
BOOK SYSTEMS INTERNATIONAL
