UCI PARA-CYCLING ROAD WORLD CUP

Leg #2

Elzach / Germany
12th - 15th May 2022

General information about the region

Elzach is situated in southwest Germany in the mountain region of Black Forest at a distance of 30 km from Freiburg, 100 km from Basle (Switzerland), 150 km from Stuttgart, 180 km from Zurich (Switzerland) and 250 km from Frankfurt.

Elzach is about 600 km (6,5 hours car ride) away from Oostende (Belgium) where the 1st of the World Cup takes place from 5th till 8th May 2022.

The Black Forest in the southwest corner of Germany is home to some of the most beautiful scenery in Germany. Its 11,400 square kilometres are home to a rapidly changing landscape, with forests in the north, the less dense central Black Forest, and the mountainous south that leads down to the Rhine.

Black Forest visitors will find rich and varied landscapes, a diverse selection of health and spa resorts, delicious regional food, cultural and architectural treasures, especially in local cities, living regional traditions and a big variety of country sports such as hiking, Nordic walking, mountain biking and cycling, horse riding and golf.

Southwest Germany has a passion for cycle racing. Bike racers can find brilliant conditions for training in the Rhine River Plain and the broad valleys as well as on the panorama and high altitude roads. In between a fair amount of physical challenge with climbs up to 3,000 ft/1,000 m.

Race description

Individual Time Trial

The time trials competition start will be held on Schrahöfe, 79215 Elzach. (2 km distance from Elzach). Start is at 381 m above sea level. Finish 1 at 640 m and Finish 2 at 957 m above sea level.

The course is no circuit. Therefore there are two finish lines as follows:

Thursday, 12th May 2022	12,2 km	14.00 h: Classes: WH1-2, TM1-2, TW1-2 15.45 h: Classes: WH3-5, MH1-2
Friday, 13th May 2022	18,2 km	09.00 h: Classes: MH 3-5, WC1-5,MB, WB, 15.00 h: Classes: MC1-5

The first 6 km are at a moderate ascent of 2%. After the village of Oberprechtal the ascent increases slightly up to 4 % till finish 1. Between finish 1 and 2 the ascent increases again. The last 3 km will be at a maximum of 9%.

Since the course is one-way, with no return path except the course, riders will be held at the finish area in a large parking area, with team parking, shelters, first aid and refreshments at both finish lines. There will be breaks in the starting order, in which there will be an organized descent to the start area.

An alternative route back to the start is available, but would take nearly 40 minutes. Since it is a one-way route possibility, further details on team support during the time trial will be given at the team managers'meeting by the commissaires.

There will be certain shuttles for equipment from the starting to both finish lines. Shedules will be published.

Doping Control will be held at the finish line.

Medal Ceremonies of the races of the first wave will be held as follows:

Thursday, 12th May 2022	18.00 h	Classes: MH1-2; WH1-5, MT1-2, WT1-2
Friday, 13th May 2022	18.00 h	Classes: MH 3-5, MC1-5, WC1-5, MB, WB
