ASIA'S #1 QUALITY FINTECH SHOW

Join us and unlock the next big opportunity in money and accelerate Asia's fintech revolution.

YOUR PROBLEM: MOST 'OTHER' B2B FINTECH TRADE SHOWS

- **LOW DECISION-MAKER ATTENDANCE** – Struggle to attract senior leaders who can actually move the needle.
- **QUANTITY OVER QUALITY** – Focused on footfall, not meaningful business outcomes.
- **DISTRACTING LOCATIONS** – Venues that dilute focus and make it hard to connect with the right people.

OUR SOLUTION: MONEY20/20 ASIA 2027

- **PREMIUM DESTINATION SHOW** – A ticketed event in an iconic location, attracting a high-value, focused audience.
- **HIGH DECISION-MAKER DENSITY** – 1 in 3 attendees are C-suite; over 50% are senior decision-makers.
- **REGIONAL POWERHOUSES** – 79% of attendees are from APAC HQs – meet the people who matter most.
- **SMΔRTMEET** – Curated 1:1 matchmaking program to connect you with pre-qualified buyers, investors and solution providers .
- **MAXIMUM ROI** – Achieve a year's worth of business in just three days.

"I can get 50 CEOs on the same day. The value we're getting is almost priceless because everyone is here in the same place at the same time."

OTHER SHOWS

Attendees from all sorts of roles...
But rarely the ones who can actually move the needle for your business.

Endless meetings...
That lead nowhere and waste your time.

A PowerPoint presentation...
Filled with recycled slides you've seen a dozen times before.

Standard networking receptions...
Predictable, forgettable, and far from game-changing.

Big promises...
But nothing truly groundbreaking ever happens.

Food and drink?
Only if you've got the right ticket - and even then, don't expect much beyond the basics.
