- part of the energy business Uniper

Commitment of Professional Confidentiality

The undersigned may, when working for OKG Aktiebolag (OKG), or when employed/ contracted by another company with tasks assignable to OKG's activities come into contact with or obtain knowledge of restricted, confidential, secret or top secret information of technical, administrative, commercial or other nature, which OKG wishes to protect with respect to its responsibility towards society, the Uniper Group, business relations, shareholders and individuals.

Thus, the undersigned undertakes to

- handle all kind of information in the intended manner and at the intended location as well as in accordance with OKG's regulations, in order to in this manner prevent undesired spreading of information.
- neither during nor after the employment/assignment use such information or documentation for any other purpose than to complete the assigned tasks.
- not reveal such information to anyone who is not authorized to take part of the information.
- on termination of the employment/assignment return all documents and information carriers with information classified as restricted, confidential, secret or top secret which I the undersigned has issued, taken part of or conveyed, and all copies of such information which I have in my possession.

The undersigned is aware that any breach of this commitment of professional confidentiality may result in a liability to pay damages.

I consent also to the registration of the confidentiality agreement on OKG's document management system.
