The Power of Home.

Foster Parents Needed.

Help our community's youth by becoming a foster parent.

It doesn't take a ton to change a lot! There are 15,000 children in foster in care, but only 7,000 foster homes in Ohio. The children are in foster care at no fault of their own. They've just been dealt a not-so-good hand and it's people like you that can help them! If you have a heart for change and space in your home, becoming a foster parent can change a child's life forever.

Becoming a foster parent is simple and takes 3-6 months. Here's the step-by-step process.
