
Template
Double Bar Counter

Size : 4640 x 1000 mm

Use this file in a separate layer in your design program.
Do not forget to make our work template "invisible" or delete it when saving the final PDF, or the JPG with high resolution.

Total measurement of the template (4680 x 1024 mm)
It consists of the original size + 15 mm of bleed around of the product on each side. Make sure the background and all the images in the design extend to this (final) edge, without creating a white border.

Product size (4640 x 1000 mm)
This is the final size of the product.

Safety zone
Keep your text and important images inside of this zone. This will prevent them from being cut and avoid compromising the design.
