Note: We work to ensure that the ingredient information in this table is accurate. Allergy data detailed in the table has been derived from specifications obtained from the suppliers of the products.

Drinks which have a '**tick**' include ingredients with this allergen intentionally present.

Drinks which have an '**M**' include ingredient(s) which are produced in a factory with this allergen present and our suppliers believe there is a significant risk of cross contamination (May Contain).

Whilst we have taken all reasonable steps to ensure that this table is accurate, we cannot guarantee that the product is 100% free from the unintentional presence of allergens arising as a result of cross-contamination as we handle **Milk, Peanuts, Egg, Tree Nuts** and **Gluten-Containing** products behind the bar.

Note: We work to ensure that the ingredient information in this table is accurate. Allergy data detailed in the table has been derived from specifications obtained from the suppliers of the products.

Drinks which have a '**tick**' include ingredients with this allergen intentionally present.

Drinks which have an '**M**' include ingredient(s) which are produced in a factory with this allergen present and our suppliers believe there is a significant risk of cross contamination (May Contain).

Whilst we have taken all reasonable steps to ensure that this table is accurate, we cannot guarantee that the product is 100% free from the unintentional presence of allergens arising as a result of cross-contamination as we handle **Milk, Peanuts, Egg, Tree Nuts** and **Gluten-Containing** products behind the bar.

Version 1 - 03.06.2019
