Mini Highland Games

Burns Night is all about celebrating with the rest of your community, so whether you're a host or a guest, add some family fun to the occasion by holding your very own highland games. Invite your neighbours and use the scoresheet provided to record the winner of each highland game and crown your

'Ultimate Highland Champion'.

Homemade Haggis Hurling

To make your haggis, get an old pair of tights and stuff some socks inside.

Tie a knot to keep your haggis intact, then take turns throwing your haggis at a target. Closest to the target wins.

Easy!

Caber Toss Cup Catch

To start, pick a colour and decide who will go first. The aim of the game is to flip your pencils into the cups filled with your colour.

The first person to fill their cups wins! Ready?

*Paper cups are recyclable and better for the environment

It's what we do
