MIZUWARI

MIZUWARI

Translated, ‘Mizuwari’ means ‘mixed with water’ –
a traditional Japanese way of diluting whisky with still water. It is not about watering it down, but about balance: the water brings out the aromas, makes the whisky smoother and highlights its subtle nuances.

Mizuwari (水割り): Mit Wasser geschnitten

Suntori Whisky Toki, Waterkant Ebbe
Mizuwari epitomises Japanese balance and simplicity. But the art of preparation does not end there: depending on the season and ingredients, fascinating
variations emerge that refine the tasting experience in a unique way. Be inspired by the five classic variations:
