WORTEN RUNS COMPETITIONS ON FACEBOOK GIVING AWAY ADMISSION TICKETS TO THE 'ROCK NO SADO' FESTIVAL

Worten is running two competitions on its Facebook page at www.facebook.com/wortenpt, which are giving away a total of 50 admission tickets to the 'Rock no Sado' festival, on 15 to 17 August in Setúbal. The first competition kicked off yesterday and goes on until 29 June. The second is scheduled for early August.

If you want to enter the competitions, you are going to have to prove you are a party animal and answer multiple-choice questions about the 'Rock no Sado' festival, which this year is top billing Richie Campbell, Boss AC and Xutos & Pontapés.

During the competition period, Worten is going to launch a campaign offering 20% off admission tickets to the festival. Plus, customers who have a Worten card also get free ticket insurance and pay no commission on purchasing their ticket.

This is yet another proposal that makes Worten stand out, giving its customers and fans the chance of seeing some of their music idols.
