WORTEN OPENS APPLE CUSTOMER CARE CENTRE AT FUNCHAL'S LA VIE SHOPPING CENTRE

Worten has just opened its first Authorised Apple Customer Care Centre in Madeira. The exclusive space for Apple customers is in Funchal's La Vie Shopping Centre Worten store, and it does not matter whether the customers bought their equipment in a Worten store or not.

Regardless of whether they bought their Apple goods in a Worten store, the new Authorised Apple Customer Care Centre at the La Vie shopping centre is going to serve all the brand's customers with a huge range of support services.

The new space provides on site diagnosis, along with repairs and software installation.

The opening of this new centre means Worten has bolstered its after-sale assistance strategy and is trying to provide its customers with a handy, personalised service and excellent technical support.
