

Share Your Story and Shine a Spotlight on Skin Cancer

May is Skin Cancer Awareness Month, and May 3 is Melanoma Monday®

To help raise awareness about the importance of skin cancer prevention and early detection, please consider sharing your story with the American Academy of Dermatology.

Inspire others. Share your story. It's easy!

Go to aad.org/yourstory and submit your story online. Whether you or a loved one has been affected by skin cancer, sharing your story can help bring awareness to this disease and provide support for and encouragement to others who are fighting skin cancer.

For more information, visit aad.org/yourstory.
