Series 2: Grey Exterior

Architectural Design

The homes at Doon West are thoughtfully designed and expertly crafted. Contemporary stone and brick exteriors are complemented by horizontal siding. Modern glass entry doors, black windows and coach lighting complete the striking exteriors. Set against the scenic landscape of Doon, these carefully designed homes are a good choice for any stage of life.

Spacious Interiors with Room to Grow

The homes at Doon West were designed to suit your lifestyle. With floor plans ranging from 1,684 sq.ft to 1,867 sq.ft., these homes offer open-concept main floors and spacious upper levels.

Created for chefs and entertainers, the kitchen boasts an oversized island, granite countertops and ample storage space. Open to the great room, this space truly is the heart of the home.

The large second floor offers three bedrooms, including a private master retreat, complete with walk-in closet and a luxurious ensuite. An upper level flex space provides a great spot for your home office, reading nook or play room.

With 9' ceilings on the main floor, premium included features and optional basement finishing, these homes will impress you today and leave room to grow in the future.

The Community

Doon West is nestled amongst the hills, wetlands and forests of Doon, one of Kitchener’s most popular suburbs. Close to the 401, shopping, schools and local attractions, Doon offers outdoor adventure paired with an urban lifestyle.

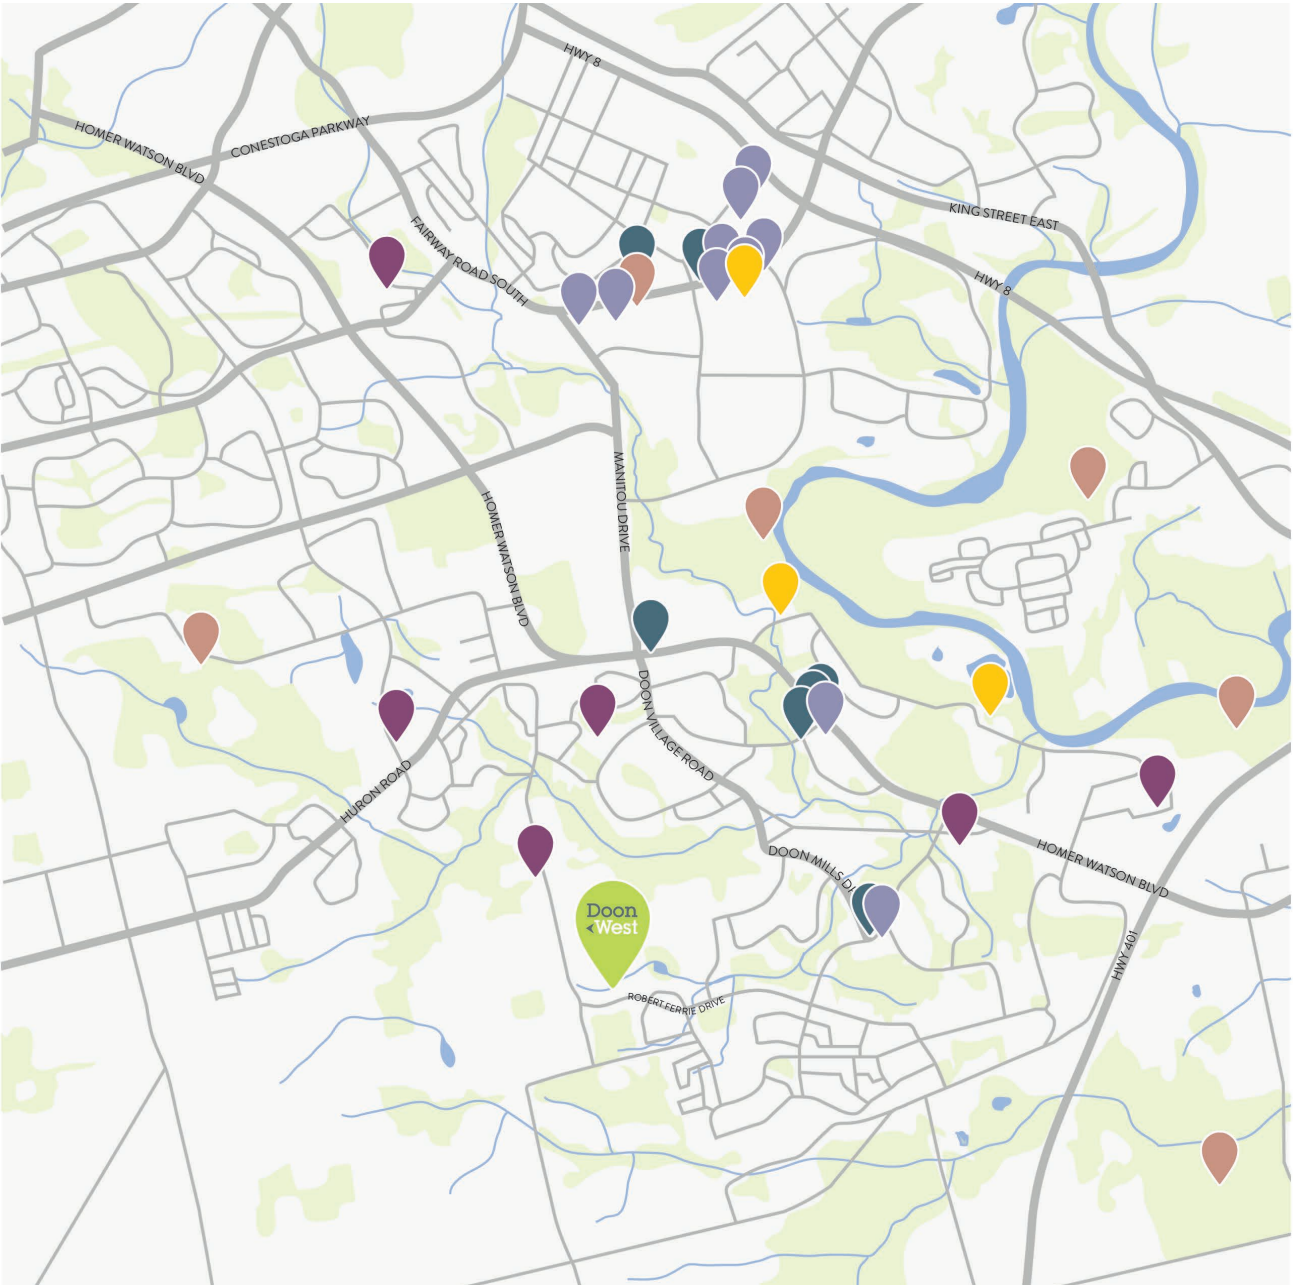

Whether you’re playing a round of golf at one of the nearby golf courses, hiking through the vast trail network or enjoying a picnic at one of the many parks, there’s no shortage of activities in this vibrant community. Explore nearby shopping districts or visit the many local attractions and feel the lively pulse of Doon West.
