On Friday 9th October, I am going to the Let's Play Armadale Event.

Once we have parked the car, or if we take the train or bus, there might be a short walk to get there.

There are lots of fun and exciting activities for me to do at the Let's Play Event!

I can get my face painted, visit the animals at Old Macdonald Farm, play with playdough, and more!

There might be friendly adults dressed up in costumes. If I don't like the costumes, that's ok, I can tell an adult.

I might have to line up and wait for some activities or come back at another time while the other children play.

That’s ok, because I can do other activities while I wait.

There will be lots of other children at the Let's Play Event, so I might have to share the toys, activities or my space.

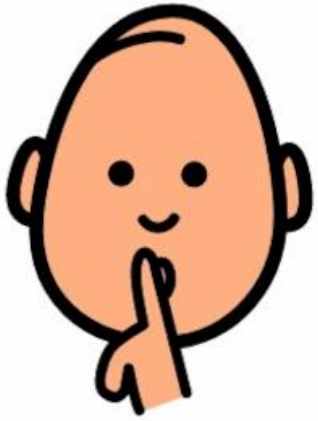
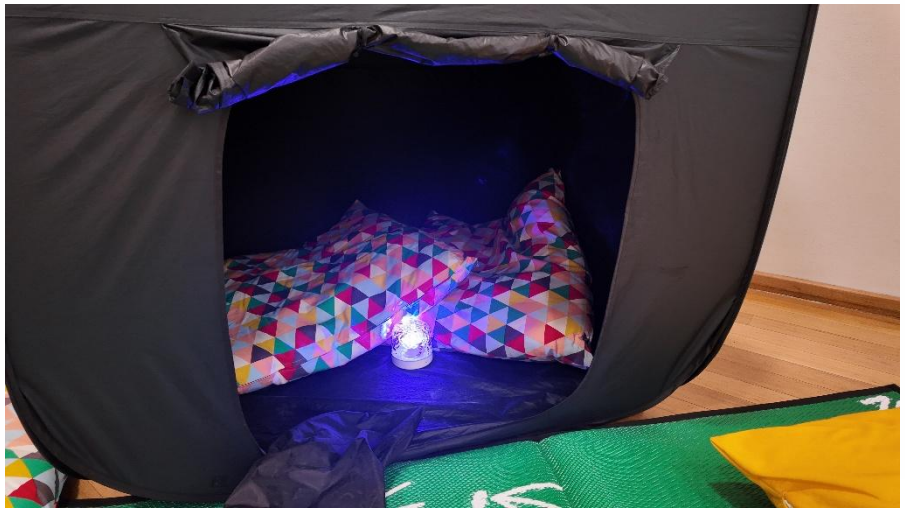
break





It might be busy and noisy. If I need a break I can visit the Sensory Zone.

There will be music during the Boogie Woogie show. If it is too noisy, I can move away or try on some ear defenders at the Sensory Zone.

If I need help, I can ask an adult.
