BARASTOC THURRA HORSE MIX

High energy grain mix for all performance and racehorses

Formulated to meet the demands of active horses engaged in moderate performance work, Barastoc Thurra is a time proven, dependable, highly palatable, high energy grain mix.

- Contains a blend of cooked grains for easily digestible starch sources.
- Added sunflower seeds to deliver enhanced oil content and vegetable oils for good coat condition and increased energy.
- A protein, vitamin and mineral pellet to eliminate fines.
- Highly palatable with added molasses to encourage any fussy eaters and improve palatability.
