JIFFY™ ONE, NOW YOU'RE DONE:

SINGLE-USE POLISHERS

DISPOSABLE POLISHERS FOR COMPOSITE MATERIAL

For a 1 step polish, start with medium. Need more luster? Use the fine.

Maximum 2 step system for quick and easy polishing. The Jiffy One single use polishing system delivers a beautiful, natural shine while saving you time.

Key Benefits:

- No need to re-process the polishers
- Get the luster you and your patients expect with our specially formulated diamond grit
- No chance of cross-contamination
- No need to worry about accidentally throwing out multi-use polishers
