SEASON 1

# THE JOURNEY

In **Episode 2**, we learned more about life in Cambodia. We have so much in common with our friends in other parts of the world.

After a big day, we all like to relax and spend time with loved ones.

**Can you draw a picture of you and your family relaxing in hammocks and playing games together?**

WRITE OR DRAW YOUR ANSWERS

If you could paint your home in any color, what colors would you use?

**Show us your vibrant house.**

Everyone needs access to clean water. In Cambodia, BioSand Filters are used to filter water and make it clean.

**Where do you get your clean water? Draw it here, and then draw a BioSand Filter next to it. This shows us the different ways we can get clean water around the world.**
