Accordingly, the Securities have not been and will not be registered with the Brazilian Securities and Exchange Commission (Comissão de Valores Mobiliários), nor have they been submitted to the foregoing agency for approval. Documents relating to the Securities, as well as the information contained therein, may not be supplied to the general public in Brazil, as the offering of Securities is not a public offering of securities in Brazil, nor used in connection with any offer for subscription or sale of securities to the general public in Brazil, with the exception of offerings directed to professional investors. A seller of the Securities may be asked by the purchaser to comply with procedural requirements to evidence previous title to the Securities and may be subject to Brazilian tax on capital gains which may be withheld from the sale price. Persons wishing to offer or acquire the Securities within Brazil should consult with their own counsel as to the applicability of these registration requirements or any exemption therefrom."

- (d) deleting the selling restriction entitled "*Paraguay*" on page 1542 of the Base Prospectus in its entirety and replacing it with the following:

"Paraguay

The Securities and the information contained in this Offering Circular have not been and will not be registered with or approved by the Paraguayan Securities Exchange Commission ("**CNV**" for its meaning in Spanish of Comisión Nacional de Valores). Accordingly, the Securities may not be and will not be publicly offered in or into Paraguay. The Issuer is not registered with the CNV either.

Law No. 5810/2017 on Securities Market and Regulation No. 35/2023 of the CNV establish that any offer to carry out any legal action with regard to securities made to a general audience or to a particular group, personally or via any means of communication, will be deemed to be a public offering of securities. Therefore, any action that would constitute a public offering of the Securities or distribution of any offering materials in relation to the Securities (even if it is done

on a private one-on-one basis) is prohibited without previous registration with the CNV. Relevant regulation does not distinguish between activities made on-shore or off-shore. Consequently, the restrictions will apply, and licensing requirements will be triggered whether an offering is made in or into Paraguay.

The offering of notes through this Offering Circular does not constitute a public offering of Securities or other financial products and services in Paraguay. Each purchaser of the Securities acknowledges that the Securities and financial products to be offered under this Offering Circular will be issued outside of Paraguay and not publicly offered in or into Paraguay. Each purchaser of the Securities acknowledges that any legal matter arising from any offer of the Securities shall not be submitted to any Paraguayan government authority. Each purchaser of the Securities acknowledges as well that the Paraguayan Deposit Insurance legislation does not cover the products offered hereby or assets or funds allocated for these purposes. The Paraguayan Central Bank, the Paraguayan National Stock Exchange Commission and the Paraguayan Banking Superintendence do not regulate the offering of these products or their undertaking. Each purchaser of the Securities should make his own decision whether this offering meets his investment objectives and risk tolerance level. Each purchaser of notes understands that the Securities that are not registered in the CNV do not enjoy tax benefits in Paraguay, are not negotiable through the local Stock Exchange, are not covered by Paraguayan laws nor supervised by CNV."
