Any such decision will be announced on or around Issue Date to purchasers of the Note and by publication on www.seb.se and through a Regulatory Information Service. The Issuer reserves the right to request for information from Euroclear about the holders of a Note at any time. Amount of any expenses and taxes specifically charged to the subscriber or purchaser:	The return paid to the investor in connection with the repayment or redemption of the Note will be treated as taxable income of the investor in accordance with the Income Tax Act (in Finnish "Tuloverolaki 1535/92"). As the Issuer is a foreign legal entity , such return is not treated as being received from Finland as provided in the Act on Withholding Tax on Interest (in Finnish "Laki korkotulon lähdeverosta 1341/90"), and therefore such return is not subject to withholding tax on interest in Finland. In case the Note is sold or redeemed during the loan period, such disposal shall be treated in taxation according to the provisions relating to capital gains and losses. A loan which is taken in order to finance the purchase of a Note falling outside the scope of the Act on Withholding Tax on Interest is treated in taxation as debt to finance the relevant income. The investor may deduct the interest paid on such loan from his/her capital income. All payments made by the Issuer or on the behalf of the Issuer under the Note are exempt from the Swedish withholding tax. Therefore, no Swedish withholding tax is applied to such payments at the moment. This is to briefly and at a general level describe the Finnish Tax legislation applicable to Finnish tax residents at the moment in respect of a natural person, where the Note is not a part of the investor's commercial business. Tax treatment is dependent on the individual circumstances of each investor. Tax legislation, tax practices and interpretations arising thereof may be subject to amendments and cause negative effects to the subscribers. In an individual case it may be advisable to consult the investor's own tax consultant or tax authorities for information in further detail. SEB will take a structuring fee of approximately 1.25% per cent p.a.
