

THE HIDEAWAY

AT CHRYSLER HOUSE

Guests pass through the beautiful and historic Chrysler House lobby as they make their way to the building basement where they'll find the building's hidden gem, The Hideaway.

Located in the former home of the Dime Bank, The Hideaway is as fun as it is functional, with bank relics and kitschy art pieces throughout. **The space is ideal for receptions, collaborative work sessions, presentations, social gatherings and more.**

The brass tones and old safety deposit boxes found in the venue's Vintage Vault present a classic backdrop for any board meeting, executive dinner, film or photo shoot.
