SPA & Wellness

| a relaxing retreat dedicated to well-being & rejuvenation |

Our Spa Circuit

25€ | 120 min

Overlooking the gardens and the masterhouse, Casa Mãe Spa has been designed to create a relaxing retreat dedicated to well-being & rejuvenation. Delicately white, this blissful cocoon allows you to fully relax in its refined simplicity. Our 2 hour Spa circuit begins with some laps in the 11 - meter long outdoor chlorine free & salty pool to complement with a sunbathing session on the spa terrace to enjoy panoramic views over the gardens. It then continues on another floor with our suana, steam room and hydrotherapy showers. We finally invite our guests to fully recharge in our relaxation room with some cold aromatised water or ice tea. To enhance your Spa experience and ensure that you fully enjoy a relaxing and private moment, we have a limited the number of guests to 4 at a time.

CASA MÃE X OLÍÓFORA

With Oliófora, the Portuguese natural skincare expert, we have developed a special and 100% natural range of face & body products* and treatments to offer our guests an exclusive experience reflecting the concept of Casa Mãe. Oliófora offers a highly calibrated and sensorial phyto aromatic skincare alternative. The high-end handmade beauty products are made from the best raw material essences, extracted from organically grown plants, using cold press refining techniques to preserve all the natural nutrients of the plants.

Using innovative 100% biodegradable & compostable packaging made in Europe, Oliófora works according to our sustainability chart, using local ingredients and respecting our precious planet by minimising footprint impact.

The skincare line includes face scrub, cleanser, toner, serum, face elixir oil, moisturizing mask, purifying mask, and a range of hydrating creams and body oils, as well as our massage candle. Most of the products have the distinctive Casa Mãe fragrance recreating the scents of our gardens (figs, orange blossom) and diffused all over the spa facilities.

Casa Mãe Signature Treatment |

80 min | 145€ The Journey: 120 min | 180€

Our therapists have developed our Signature Treatment along three pathways – purifying, relaxing, and energising & nourishing - for an unprecedented sensorial journey made of exclusive rituals, using our massage candle that combines the purest oils to our delicate Casa Mãe scent.

A prelude to the treatment is a soothing foot ritual that involves a sea salt & lavender foot scrub & massage as a first step for body cleansing and tensions releasing. Full body acupressure is then used to relax muscles & joints and soothe pain & discomfort. The next step is a smooth dry skin brushing on legs, arms and back, providing a circulation boost, getting oxygen back to the surface of the skin. Then, wrapped in the subtle aroma and warmth of the Casa Mae x Oliofora massage candle made with the finest organic essences and the purest moisturising plant oils, you will enjoy a deeply relaxing made to measure full-body massage.

To make your Signature Treatment more complete, we recommend the 120 min treatment, the Journey, that also encompasses a facial tailored to the specificities of your skin, and a head massage ritual, quieting the mind & encouraging inner peace.

An exclusive treatment for the body & mind to unlock built-up tension, relieve stress, reconnect with yourself, and recover a blissful energy in a peaceful & relaxing cocoon.

Facials |

ANTI-AGEING & REJUVENATION FACIAL

80 min | 150€

Pro-ageing, contour defining, natural glow

This anti-ageing & rejuvenating facial visibly lifts and improves skin texture & brighten your complexion. The 8-step made to measure re-sculpting treatment starts with a smooth cleansing. Next step is an exfoliation on cellular level using an enzymatic brightening booster, and vapor to open & purify the pores. Thalasso spheres roll-on is then used to apply an anti-ageing serum made of hyaluronic acid nanospheres, on wrinkles and expression lines. Follows the application of a rich collagen mask, visibly improving your skin elasticity.

A rejuvenating polypeptide serum is then applied using galvanisation to amplify its effects. A powerful work with rose quartz crystal stones is then performed on the face muscles, that releases tension, sculpts, smooths and plumps for an immediate and lasting lifted effect.

The treatment continues with the application of a polypeptide cream, enriched in vitamin E, mahogany tree extract, and precious oil enzymes that deeply nourish the skin. High frequency treatment finalises the facial, improving skin oxygenation and boosting peptides delivery to the deepest layers of the skin, improving cellular structure. This rejuvenating facial will leave your skin radiant, glowing and toned.

INSTANT RADIANCE FACIAL

50 min | 105€

Reveal your inner glow

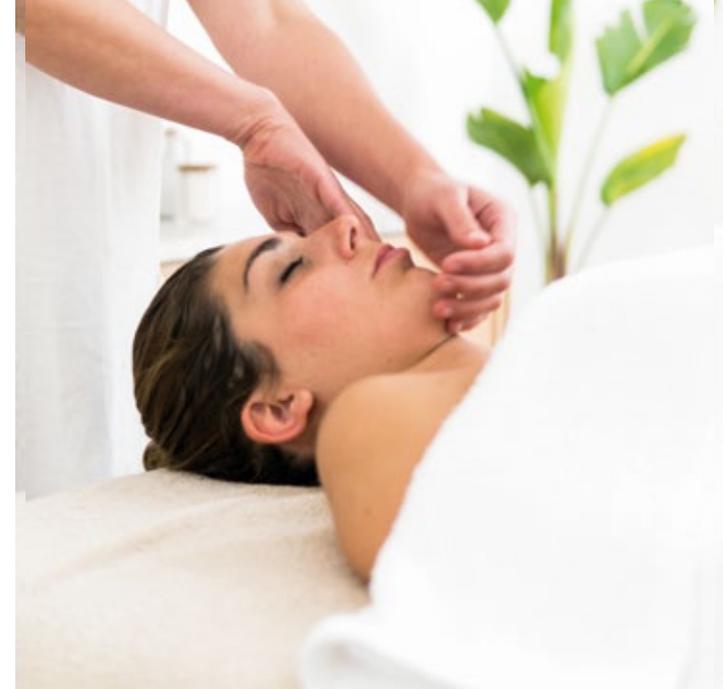

This facial starts with a deep cleanse & fine gentle scrub, enriched with sea buckthorn oil and lavender. It is followed by a toning face massage applied on fine line areas using hyaluronic sphere roll-on, that deeply hydrates and pumps the dull skin. A moisturizing mask is then applied to brighten the skin & boost the performance of the spheres. The last step of the treatment is the application of a powerful Vitamin Elixir enriched with raw cacao butter, vitamins A (Retinol), C, E and rosewood essential oil with powerful antioxidant effect, leaving your skin radiating - this brightness-boosting skincare results in deeply nourished skin, smooth and luminous.

DEEP CLEANSING FACIAL

80 min | 140€

The ultimate detox

Detoxify your skin with a deep cleanse and a sculpting and draining face, neck and décolleté massage. This treatment starts with a thorough assessment of your skin by our therapist to tailor the steps & skincare to your skin's specificities. The first step of this extensive skin detox is a deep cleansing and exfoliation using ultrasonic treatment to remove dead cells and vapor to open the pores. Follows extractions with vacuum when applicable, and the application of a purifying mask. A powerful serum based on your skin evaluation is then applied using galvanisation to boost its effect. Then, a lymphatic drainage using silicon cupping & acupressure massage is performed to firm and reduce puffiness. High frequency with oxygenation finalises the treatment, shrinking pores and reducing the appearance of fine lines. Ideal to get a smoother skin, with a bright & fresh glow.

RECOMMENDED ADD ONS

CUSTOM MASSAGE

A fully personalised treatment based on the assessment of your needs and tailored to your specific wishes. Techniques, massage oil type & aromatherapy are customised to target your specific areas of concern, and achieve your specific goals – relieving muscle tensions, soothing pain, harmonising & relaxing; all to bring about balance, harmony, and deep sense of wellbeing.

DEEP MUSCLE MASSAGE

Reshape and tone the full body with firm pressure, slow strokes reaching deeper layers of muscle, fascia (the connective tissue surrounding muscles) and tendons. A powerful and sensorial ritual using trigger points and getting tired muscles soothed, chronic aches & pains relieved. It also boosts circulation, and releases stress & tensions, helping to detox the body and balance the mind.

HOT BASALT STONES MASSAGE

A deeply grounding, soothing and relaxing massage using hot basalt stones to release persistent muscular tightness and aromatherapy to relieve stress. Hot stones are placed on and under the body to generate heat and draw out tightness, while others are used as an extension of the therapist's hands, gliding over the body to induce deep relaxation. Ideal to treat back pain.

BAMBOO MASSAGE

Intense deep tissue massage effective to unlock deeply rooted tensions & knots. This massage also helps improving your skin as bamboo extract contains silica, anti oxydants and has anti irritant properties.

DETOX LYMPHATIC MASSAGE

Energising massage focusing on the areas between the upper legs, glutes, lower back, hips and abdomen. The treatment starts with dry brushing and silicone cups to stimulate circulation and improve skin tone and elasticity. A manual lymphatic drainage is then performed, using a slimming & sculpting oil. Galvanisation is then used with a smooth remodelling refreshing algae gel, aiming at reducing fluid retention & breaking down adipose tissue.
