I understand that an automatic payment will be deducted from my designated account on the date I specified each month and will occur each month until the loan is paid in full. If the date falls on a weekend or holiday, the payment will be withdrawn the next business day. I will ensure the funds are available in my account on or before this day each month. Only the current month's payment will be withdrawn, and I understand that the amount to be deducted monthly will include any change in my mortgage payment due to escrow or adjustable rate loan changes. Gateway Mortgage will notify me in advance of any changes. Payments returned for non-sufficient funds may be resubmitted to the bank on the day Gateway Mortgage is notified. If Gateway Mortgage must reverse my payment due to non-sufficient funds I understand I may be charged an NSF fee. If my replacement payment is more than 15 days past due, I must pay the late charge. I understand that repeat non-sufficient returns will result in my termination from the program. This authorization will remain in effect until revoked by the customer, company, or financial institution. I will notify Gateway Mortgage to change or discontinue this auto-draft authorization at least 10 days prior to the date of the next draft.
