

Easter Church Appeal

109,000 children will be homeless in Britain at Easter.
Please help us to be there for them.

Will you help our church be there for children and families facing homelessness?

Event details:

Location:

The difference we will make

£250

could help a family staying in unsafe or unsuitable accommodation to build a court case.

£188

could help a family meet with one of our team who can help them with their case.

£100

could help two homeless families access our vital services which help get more people into safe and secure accommodation.

One family's Easter story

After fleeing a violent home, Laura and her two children were forced to sleep in their car. Having been refused help by the council twice, Laura didn't know where to turn. Thankfully, Shelter was able to help get Laura and her children into a B&B, and worked with the council to help the family find a new home and a fresh start.

Please help us make sure we can be there for others.
