Create a Prayer Village for Easter Sunday!

Every Sunday ask your congregation to fill out a prayer card (you may like to photocopy this sheet to make more) and pin them up on a dedicated notice board. By Easter Sunday you will have a 'Prayer Village' – which you can celebrate in your Easter service.

Please email me a picture of your prayer village to faith@shelter.org.uk and I will display it online at shelter.org.uk/faith

Countdown to Easter in Prayer

Here are some topics that you can reflect and pray upon:

Pray for those who will sleep rough tonight on Britain's streets, who dream of a new beginning.

Pray for parents struggling to meet their mortgage payments, terrified that they will become one of the many families staying in temporary accommodation.

Pray for elderly people in health damaging bad housing who need someone to stand up for their rights.

Easter Sunday Jesus rises! Praise the Lord!

The Shelter logo, consisting of the word "Shelter" in white sans-serif font on a red rectangular background.
