Introducing the 2021 Students Rebuild Changemaker Challenge

Even with a global pandemic, racial injustice, environmental threats, and social distancing—people are stepping up to make change all around us.

That's why this year, we're inviting students to help shine a light on changemakers right in their own backyard while supporting others sparking change all around the world. Here's how:

- 1 Identify someone who shines.** Learn about changemakers, then pick someone you want to celebrate.
- 2 Brighten their day.** Create an artistic award for your changemaker. For example, a homemade trophy, a blue ribbon, a certificate, a pennant, or a gold star. Then share it with us!
- 3 Light the way.** For each award shared with Students Rebuild, the Bezos Family Foundation will make a \$5 donation—up to \$1,000,000—to young people and educators leading change in their communities around the globe.

The Changemaker Challenge runs from September 22, 2020 to June 4, 2021.

For free registration, resources and more information, visit studentsrebuild.org/changemaker.
