

Will Coronavirus Pandemic Change our Clinical Practice post Crisis?

Tuesday, April 21, 2020

LEARNING OBJECTIVES

- Review the COVID-19 virus and its impact on dental practice
- Review the OISHA and CDC most recent recommendation
- Preparedness for post-pandemic
- Digital as a successful tool to help us in this pandemic

PROGRAM DESCRIPTION

While this pandemic took the world by surprise, shuttered our normal life, forced us to a lockdown, social distancing and a very rigid hygiene practice. Will this pandemic leave a sequela to our Clinical practices and to our social behavior post crisis? In this webinar, will help shed the light on the trends that our industry was headed into but now will accelerate. The goal of this session is to share how procedures that were developed pre-crisis can help transition smoothly post crisis.
