

Dental Implant Live Surgery Mentorship Program at Brighter Way

May 2 - 3, 2019

Sept 12 - 13, 2019

Nov 14 - 15, 2019

LEARNING OBJECTIVES

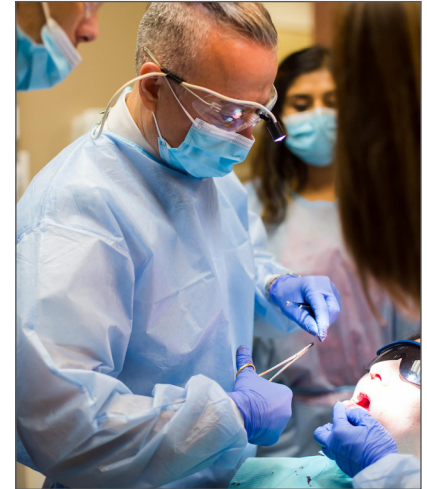

- Enhance your dental implant skills
- Place dental implants in a posterior site and in full arch situations
- Understand extraction and socket grafting techniques
- Become proficient at guided surgery implant placement

PROGRAM DESCRIPTION

Spend two days at Brighter Way Institute giving back to those who have served and protected us over the years. Brighter Way's mission provides much needed dentistry to those in need of it most- the homeless and Veterans of the United States Armed Forces.

This surgical dental implant mentorship is designed to enhance your clinical dental implant skills. Over the course of two days, you will provide implant dentistry treatment to those in need. Under the mentorship of Dr. Joe Mehranfar, you will provide the following types of treatments (dependent on the needs of the patients you will treat that day):

- A single to multi-unit posterior placement of implants
- Extractions and socket grafts
- Partially/pilot drill guide or a fully guided case
- Implant placement for Full arch over dentures
- Option to work with Dr. Mehranfar to customize the training to fit your learning needs

This mentorship is intended for clinicians who have already attended straightforward implant placement courses and have some experience placing dental implants.

Please Note: Doctors from out of state, who do not hold an Arizona dental license, need to fill out a Volunteer Health Services Registration and a Standard Contract for Dental Service to participate in this course. These forms need to be notarized and submitted a month prior to the start of the course to Dr. Joe Mehranfar and his office. These documents will be submitted to the Arizona Board of Dentistry prior to the course for approval to practice live dentistry on patients in Arizona. If you do not hold an Arizona dental license, you will be sent these forms after registration for the course is completed.

SPEAKER

Dr. M. Joe Mehranfar is one of the outstanding dental implantology practitioners in Arizona. After receiving an MS degree in microbiology from Southern Illinois University, Dr. Mehranfar completed his dental education at Temple University School of Dentistry in Philadelphia, Pennsylvania, followed by comprehensive implant training.

Dr. Mehranfar was formerly an Adjunct Assistant Professor at Midwestern University College of Dental Medicine in Glendale and A. T. Still University School of Dentistry and Oral Health in Mesa. Dr. Mehranfar was awarded a Master-ship from the American Academy of Implant Prosthodontics. He is a member of the Board of Directors of the American Academy of Implant Prosthodontics and served as general chairperson of all annual meetings of the Academy since 2007 in Las Vegas, Phoenix, Mesa, Scottsdale, and Carefree.

Dr. Mehranfar is Chairperson-Elect of the implant division of the American Dental Education Association and a recipient of their Pierre Fauchard Award for excellence. He is also member of the Board of Directors of the Central Arizona Dental Society.

Dr. Mehranfar is director of dental implant education at the Brighter Way Clinic in Phoenix, where he mentors residents from the Lutheran Medical Center of New York. He also directs live implant training at the clinic where clinicians from throughout the United States can obtain hands-on surgical training.

Dr. Mehranfar's practice extends to general dental offices throughout Phoenix, where he performs implant surgery for individual dentists. His own practice in Phoenix is limited to surgical and prosthodontic implant treatment.

Dr. Mehranfar is a consultant for Karl Schumacher Dental, a provider of premier dental and surgical instruments.
