

YOU'RE INVITED

to an education experience with Straumann®

Join two titans in implant dentistry to discuss:

Immediacy Concepts: Advances in Treatment Therapies and Implant Design

FEBRUARY 19, 2022 • 8:00AM-5:00PM • NAPA, CA

Professor Dr. Daniel Buser

Dr. Edmond Bedrossian

This presentation will showcase the Pre-treatment evaluation protocol for the management of patients from failing single tooth to reconstruction of full arch. Benefits of bone level implants will be compared and contrasted with those of tissue level implants. Incorporation of the current state of the art of implant design as well as the of biomechanical principles for force distribution under function will be reviewed in depth.

Professor Dr. Daniel Buser will share his vast knowledge over the past 30 Plus years of research as well as clinical practice. He will introduce the latest evolution in tissue level implants and discuss the principles behind its dual advantage of an implant thread

Learning Objectives:

- Understand the pre-treatment evaluation protocol for immediate implant treatments
- Understand evolutions in implant designs

design for immediate placement as well as the time-tested advantage of the one piece, tissue level portion.

Dr. Edmond Bedrossian will review the principles required for successful and predictable treatment of the fully edentulous patients. Topics such as the number and the proper distribution of implants required, as well modifications to surgical protocols including the algorithm for reaching adequate insertion torque for immediate loading will be presented.

The rationale for the newly redesigned Zygoma implants for treatment of extreme edentulous cases will also be addressed in depth.

ADA CER-P® | Continuing Education
Recognition Program

Straumann® is an ADA CER-P Recognized Provider. ADA CER-P is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CER-P does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Total CE hours: 7

SPEAKERS

Prof. Dr. Daniel Buser is one of the most experienced implant surgeons with 35 years of surgical experience. He is a pioneer of micro-rough implant surfaces, and of the GBR technique. He has been Professor and Chairman at the Department of Oral Surgery at the University of Bern in Switzerland (2000-2019).

He served as President of various academic associations including the European Association for Osseointegration (EAO) in 1996/97, the Swiss Society of Oral Implantology (SSOI) in 1999-2002, and the ITI in 2009-2013. He was also member of the Board of Directors of the Osteology Foundation (2004-2018). He received several scientific awards by professional organizations such as the ITI, the AO, the AAP and the AAOMS. His main research areas are in tissue regeneration around dental implants, surface technology and Guided Bone Regeneration. He published with his team more than 400 publications, case reports and book chapters. He is also Editor the GBR Book (1994 and 2009). The 3rd edition of the GBR Book will be published in August 2021.

Dr. Edmond Bedrossian, received the DDS degree from the University of the Pacific, and completed his Oral and Maxillofacial Residency at Alameda Medical Center. Dr. Bedrossian is a Diplomate of the American Board of Oral and Maxillofacial Surgery. He is also A Honorary Member of the American College of Prosthodontists. He is a Professor at the University of the Pacific School of Dentistry combining private practices with academics as the director of implant surgical

training at University of the Pacific's Department of Oral & Maxillofacial surgery. He has authored multiple articles and chapters on the various uses of the Zygomatic implant, bone grafting and treatment planning implant dentistry. He has also authored the textbook; "Implant treatment planning for the edentulous patient", Forwarded by Professor Brånemark.

SPEAKERS:

Dr. Edmond Bedrossian
Professor Dr. Daniel Buser

DATE:

Saturday, February 19, 2022

TIME:

8:00am-5:00pm
course

5:00pm-7:00pm
networking reception

LOCATION:

Meritage Resort
875 Bordeaux Way
Napa, CA 94558

A reduced hotel rate is available for attendees. Register to learn more.

AUDIENCE:

Clinicians

TUITION:

\$495

CE HOURS:

7 ADA CERP hours

Registration Policy

- Registrations are taken on a first come, first serve basis
- Registrations are not considered final until payment is received
- Your registration will be confirmed by email within two weeks of receipt
- Partial payment cannot be accepted

Cancellation and Refund Policy

Attendee Cancellation Policy

- Cancellation made 30 days or more before the course starts: Full refund
- Cancellation made 15-29 days before the course starts: 50% of the course fee will be refunded
- Cancellation made 0-14 days before the course starts: No refund
- A \$25 administration fee will apply to all cancellations

Straumann reserves the right to cancel courses that do not meet minimum enrollment. The course fee will be refunded, in full, within two weeks of cancelled course date. Attendance is not confirmed until attendee has received a letter of confirmation from the Straumann Education Department.
