

VAS Winter PCC Sale

Receive a 10% discount on any PCC Scan license and equipment when purchased from Jan 1 to March 31, 2018.

With PCC (Pocket CowCard) Scan and RFID tags, finding animals on lists and record information is easier, faster and more accurate!

Fewer and shorter lockups allow cows more time for laying and eating, resulting in more milk and fewer health issues.

Invest in PCC today and save time and money!

- ✓ Compliance
- ✓ Speed
- ✓ Accurate
- ✓ Accountability
- ✓ Ease

"We also have the repro, so depending on what day, certain animals are getting certain hormone shots, certain animals are up for preg-check, so all that information is input through the scanner and automatically updated into DairyComp, so that makes things efficient."

Frank Cardoso, Dairy Works
