

Refer-a-Friend

Terms and Conditions

By accepting the Refer-a-Friend Terms and Conditions you are permitting us to share your Public Mobile phone number with the friend who referred you to the company. Your phone number will appear in their Self Serve account on the *Reward* page. We do not share any other of your information with the Referrer.

The intent of illustrating your phone number in your referring friend's Self Serve account is for them to clearly understand which of their referrals they are earning the Refer-a-Friend reward for on an ongoing basis.

Your phone number will appear under the *Refer-a-Friend Reward* section of the *Rewards* page as long as they remain eligible to receive the Refer-a-Friend reward for referring you. For your referring friend to earn the Refer-a-Friend Reward in any month, your account must be in a paid and active state. Once you deactivate, your phone number will drop off of your referring friend's *Rewards* page in their Self Serve account permanently.

By accepting these terms and conditions, you also agree to only referring individuals with whom you have a personal or family relationship to ensure compliance with Canada's anti-spam legislation, and acknowledge that you can't refer yourself or an existing Public Mobile customer.
