Dear Ms Mullen

**REQUEST FOR EXTENSION OF VOLUNTARY SUSPENSION – MYANMAR METALS LIMITED (“MYL”)**

The Company hereby requests an extension of the voluntary suspension of trading in its securities. The decision on a resumption of trading ultimately rests with the ASX. At this time the Company is unable to resume trading of its securities because the ASX has directed that it first requires a new project in order to satisfy ASX Listing Rule 12.1. The Company is committed to returning to quotation as soon as possible and will keep shareholders informed of its progress.

We are not aware of any reason why the Company’s request should not be granted.

The Company aims to provide an update to ASX as soon as possible in order that the suspension of trading can be lifted however it is anticipated that this may take some time.

Yours faithfully,

Rowan Caren  
Myanmar Metals Limited
