Running over eight (8) consecutive Sundays in January, February & March 2026, this series transforms Downtown Kitchener cafés into pop-up music lounges, featuring live sets from local DJs each week. From 10:00 AM to 1:00 PM, a different café will host the experience, creating a rotating circuit of sound, community, and culinary delights.

Whether you're a coffee lover, music enthusiast, or just looking to connect with your community in a laid-back setting, this series offers the perfect Sunday ritual. Enjoy delicious food and beverage specials, groove to curated DJ sets, and discover new favourite spots in the heart of Downtown Kitchener.
