## OMERS medical report - child's total disability

Use this form to help OMERS determine that a deceased member's dependent child qualifies for an OMERS benefit under the definition of "totally disabled child".

OMERS will also accept copies of medical forms or reports about the child's condition that the child's doctor has completed for other benefits. In that case, the doctor does not need to complete Section 2 of this form.

OMERS is not responsible for any costs associated with either completing this form or providing medical evidence to OMERS.

To help us serve you better, submit your documents quickly and securely using your myOMERS account. Go to My Communications, start a new conversation, attach your files, and submit.

Any personal information provided on this form may be used to update your membership profile.

Providing OMERS with your personal information is considered consent for its use and disclosure for the purposes set out in our Privacy Statement, as amended from time to time. You can find out more about our collection, use, disclosure and retention of personal information by reviewing our Privacy Statement at www.omers.com.
