

# History of Psychology

## from Cambridge

### History of Psychology

David Hothersall,  
Benjamin J. Lovett

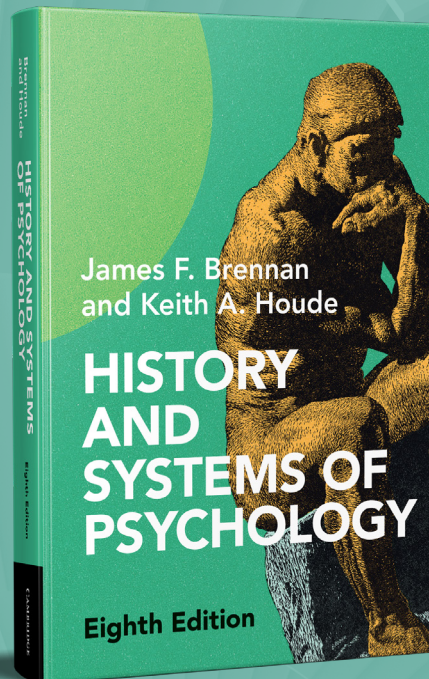

5th edition

Paperback ISBN: 9781108732994

Publication date: 24 March 2022

Price £59.99/\$79.99

Surveys the evolution of the field of psychology from 1850 to the present, starting from Greek antiquity and providing a chronological overview of topics, theories, and people. Takes a biographical approach and organises material around the lives of bold and fascinating psychologists.

### History and Systems of Psychology

James F. Brennan, Keith A. Houde

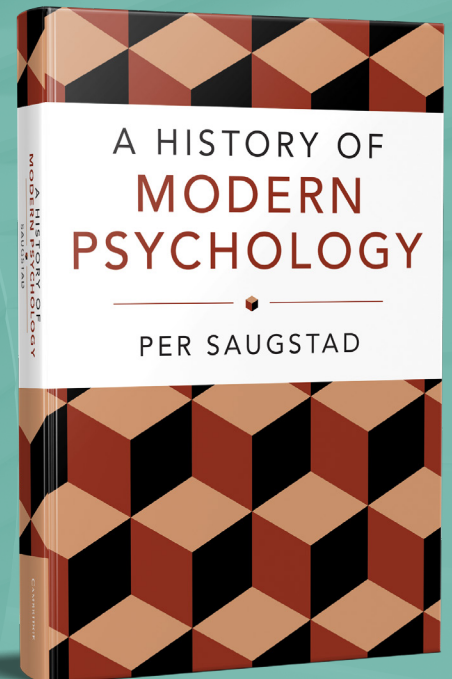

8th edition

Paperback ISBN: 9781009045834

Publication date: 17 November 2022

Price £59.99/\$79.99

Provides an accessible and engaging introduction to the rich story of psychology's past, from the pre-Socratic Greeks to contemporary research, discussing the people, places, and concepts that have shaped it. Introduces the 'enduring questions' of psychology and provides context from philosophy, physiology, and theology.

### A History of Modern Psychology

Per Saugstad

1st edition

Paperback ISBN: 9781107525467

Publication date: November 2018

Price £41.99/\$52.99

Provides a comprehensive and engaging global history of psychological science, from the birth of the field to the present. Drawing on a vast knowledge of the field in the United States, England, Germany, France, Russia and Scandinavia, it offers an international perspective on the development of psychology as an empirical science.
