Special occasion cheese  
for every occasion.

# THE PERFECT BITE

Some cheese needs to melt, some needs to stretch, some needs to twist, and some just needs to be savored, one perfect bite at a time. This is that cheese.

Fancy is not something the Tillamook farmer embraces easily. We built our business on hard work, craft and tradition, not on flash. It's what makes Tillamook the gold standard of cheese.

But life is not all hard work. There is a time to take a break, to celebrate, maybe even show someone you think they're pretty okay.

This cheese is made for those moments. An invitation to slow down and savor something special. Right before we get back to work.

This is special occasion cheese for every occasion. You don't have to dress up. You don't have to be anyone but yourself. Because everyone is welcome at this table.

## A higher standard from day one.

We're proud of the products we've produced, and the families we've fed along the way. As farmer-owners we're not just stewards of the land and the animals we care for. We're also stewards of a legacy. The decisions we make don't just impact our cooperative, they impact our homes and partners.

## The Tillamook way, since way back.

The Tillamook Way is a way of life—the way our farmer-owners have done things since 1909. We cared for our farmer-owners, who cared for the land, which sustained healthier cows, which provided better milk. And better milk made better dairy products. It's a simple recipe that we've followed for over a century and it has never failed.
