

AGENDA

Day 1 (13.09.2023)
Focus on microalgae

PRO
FUTURE

09:00 - 09:20	Pushing innovation all along the microalgae value chain (Welcome & project overview)	Massimo Castellari <i>Scientific coordinator of ProFuture, Institute of Agriculture and Food Research and Technology (IRTA)</i>
09:20 - 09:50	How can we improve the cultivation of microalgae?	Iago Teles <i>Research Manager Microalgal Biotechnology, Wageningen University</i>
09:50 - 10:20	The potential of microalgae as protein ingredient: Production processes & analysis of nutritional and functional properties	Imma Gifuni <i>R&D project manager AlgoSource</i>
10:20 - 10:45	Coffee break (25 min)	1st floor
10:45 - 11:15	Microalgae: State of the art of the algae sector in Europe	Jean-Paul Cadoret <i>Vice President of the European Algae Biomass Association (EABA) and Chief Scientific Officer by ALGAMA</i>
11:15 - 11:45	Food & feed reformulations	Josep Comaposada <i>researcher at IRTA (food)</i> Geert Bruggeman <i>Nutrition Sciences N.V. (feed)</i>
11:45 - 12:15	Panel discussion: ProFuture results and technologies regarding production, processing, formulations	Fabio Fanari <i>Moderator (IRTA)</i>
12:15 - 13:15	Lunch (60 min)	1st floor
13:15 - 13:45	Food and feed production at industrial scale	Alexandre Rodrigues <i>Necton</i>
13:45 - 14:15	Responsible and sustainable microalgae value chain	Juliette Sulmona <i>Apexagri</i> Maresa Bussa <i>ESU-services</i> Marinella Tsakalova <i>AXIA INNOVATION</i>

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 862980

AGENDA

Day 1 (13.09.2023)
Focus on microalgae

PRO
FUTURE

14:15 - 14:45	The path to market success: where microalgae meets consumer preferences	Christine Yung Hung <i>Ghent University</i>
14:45 - 15:15	Market perspectives for microalgae products. Business model & marketing strategy	Liina Vaher <i>Civitta Eesti AS</i>
15:15 - 15:45	Industrial perspective - start-ups / SMEs	Helena Cardoso <i>Allmicroalgae</i>
15:45 - 16:10	Coffee break (30 min)	1st floor
16:10 - 16:20	EU4Algae project - a collaborative European stakeholders forum on algae	Kim Anderle <i>SUBMARINER Network for Blue Growth EEIG</i>
16:20 - 16:30	The CIRCALGAE project: CIRCular valorization of industrial ALGAE waste streams into high-value products	Amparo Jimenez Quero <i>KTH Royal Institute of Technology</i>
16:30 - 16:45	What's new on the menu? Latest trends in novel foods in the EU	Estefanía Noriega Fernández <i>Scientific Officer, EFSA</i>
16:45 - 16:55	Stretching break	Comet staff
16:55 - 17:40	Panel discussion: What are the challenges of bringing microalgae to the market?	Jean-Paul Cadoret <i>Moderator</i>
17:40 - 18:00	Wrap up	Massimo Castellari <i>Scientific coordinator of ProFuture, Institute of Agriculture and Food Research and Technology (IRTA)</i>
18:00 - 19:30	Networking aperitivo on the rooftop terrace, tasting of ProFuture products	

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 862980

AGENDA

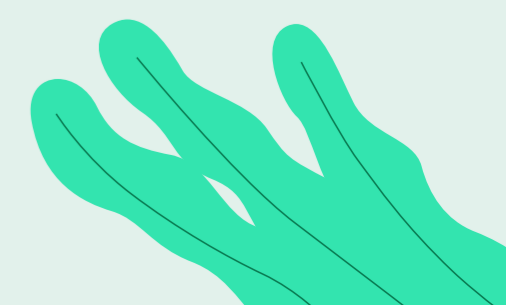

Day 2 (14.09.2023)
Focus on alternative proteins

PRO
FUTURE

09:00 - 09:15	Welcome: Insights from first day & outlook on second day	Massimo Castellari <i>Scientific coordinator of ProFuture, Institute of Agriculture and Food Research and Technology (IRTA)</i>
	HORIZON4PROTEINS CLUSTER SESSION	6 talks
09:15 - 09:30	Susinchain	Ine van der Fels-Klerx <i>Wageningen University</i>
09:30 - 09:45	NextGenProteins	Sveinn Agnarsson <i>Sjókovin, Faroe Islands, and the University of Iceland</i>
09:45 - 09:55	Giantleaps	Paul Vos <i>Wageningen Food & Biobased Research</i>
09:55 - 10:05	Like A Pro	Morena Silvestrini <i>innovation and transformation at FUDin by CTIC CITA</i>
10:05 - 10:15	ValproPath	Richard Lynch <i>Teagasc</i>
10:15 - 10:35	SmartProtein	Jacqueline Lyons <i>University College Cork (UCC)</i>
10:35 - 11:00	Coffee break (20 min)	1st floor
11:00 - 11:15	Overview of alternative proteins policy	Laurent Mercier <i>DG Agriculture and Rural Development, EU Commission</i>
11:15 - 11:30	Alternative protein policy across the globe	Elena Walden <i>Good Food Institute</i>
11:30 - 12:45	Panel discussion: Horizon4Proteins Policy Session – How can we advance alternative proteins together?	Paul Vos <i>Moderator</i>

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 862980

AGENDA

Day 2 (14.09.2023)
Focus on alternative proteins

PRO
FUTURE

12:45 - 13:00	Conclusions of the conference	Massimo Castellari <i>Scientific coordinator of ProFuture, Institute of Agriculture and Food Research and Technology (IRTA)</i>
13:00 - 13:30	Poster session	
13:30	Light lunch	

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 862980
