

# Acoustic Player Pack Warranty

Your new Acoustic Player Pack is warranted to be free from defects in materials and workmanship for the life of the original retail purchaser, subject to the limitations contained in this warranty. Gibson, Inc. manufactured pickups installed in your guitar are warranted for the life of the original retail purchaser. All other factory-installed electronics and parts are warranted for 3 years from the original purchase date and are subject to availability. Substitutions on parts will be made at Gibson's sole discretion.

If at any time this instrument malfunctions as a result of faulty materials or workmanship, Gibson, Inc. will repair the defect(s) or replace the instrument as it deems appropriate in its sole discretion. Gibson, Inc. reserves the right to use materials regularly utilized at the time of repair in the event that original materials are no longer available. If replacement of your instrument is deemed appropriate by our staff, Gibson, Inc. will replace the instrument with one of the same or most similar style of a value not in excess of the original purchase price of your instrument.

This warranty covers the cost of labor, materials, and parts (subject to availability, at Gibson's sole discretion) on any repair deemed necessary by our Consumer Service Representative as long as the original purchaser owns the instrument within the time frame expressly stated in this warranty. In the unlikely event that your instrument is destroyed, lost, or damaged beyond repair while in the possession of Gibson, Inc. for repair, Gibson, Inc. will replace that instrument with one of the same or most similar style of a value not in excess of the original purchase price of your instrument. Any insurance covering the instrument, including but not limited to collector's value insurance, must be carried by the owner at the owner's expense.
