Doing Good+ from Home

The challenges of this crisis are affecting us all. Good+Foundation has had to suspend its volunteer program and its individual donations, which are essential components to our ability to support families in need.

Our Doing Good+ from Home initiative is one way we hope to fill the increased need for baby items and give our volunteers an opportunity to continue to make a difference!

Our team has found fun and easy projects you can do from home. These projects are perfect for a family activity, virtual party or as a solo endeavor.

Thank you for participating in our Doing Good+ from Home project. We are excited to share your gift with our families. Below are the steps you should take to successfully complete your project:

• **Register** your project with Good+Foundation
• All items must be brand new—(recommended links for purchase below)
• Please keep hands and work surfaces clean
• Once complete, place item in a sealable bag or in a safe place until we can receive your items.
• Personalize your gift by adding a gift note, please keep notes positive and gender neutral.
• Ship or drop off your gift to our warehouse*

* A Good+ team member will reach out when we reopen and will share instructions on receiving your donation.
Step by Step Instructions

1. Register to volunteer [here](#).

2. Purchase Your Kit Online. **See next page for our recommended kits with links** You are welcome to order outside of our recommendations and from other retailers.

3. Assemble your blanket from home! Instructions will be included with your kit purchase. Please ensure you’re washing your hands regularly and working on a clean surface.

4. Once your blanket is complete, we encourage you to add a personalized note! Please keep messages positive and universal to any potential recipient, such as “Stay warm!”

5. Once your project is complete, place it in a sealed bag and find a safe space to store it. We want to keep blankets as clean/allergen-free until Good+ can receive it.

6. Make the donation - we will reach out to you with the information you provided in Step 1 once our warehouse is open for donations. You can coordinate with staff to deliver or ship items to our warehouses.
