COLOURING BOOK

**THANK YOU TO OUR NHS HEROES
AND LANES UTILITY KEYWORKERS**

Lanes keyworkers are working hard to protect the environment making sure the drains and sewers don't leak and spill into rivers.

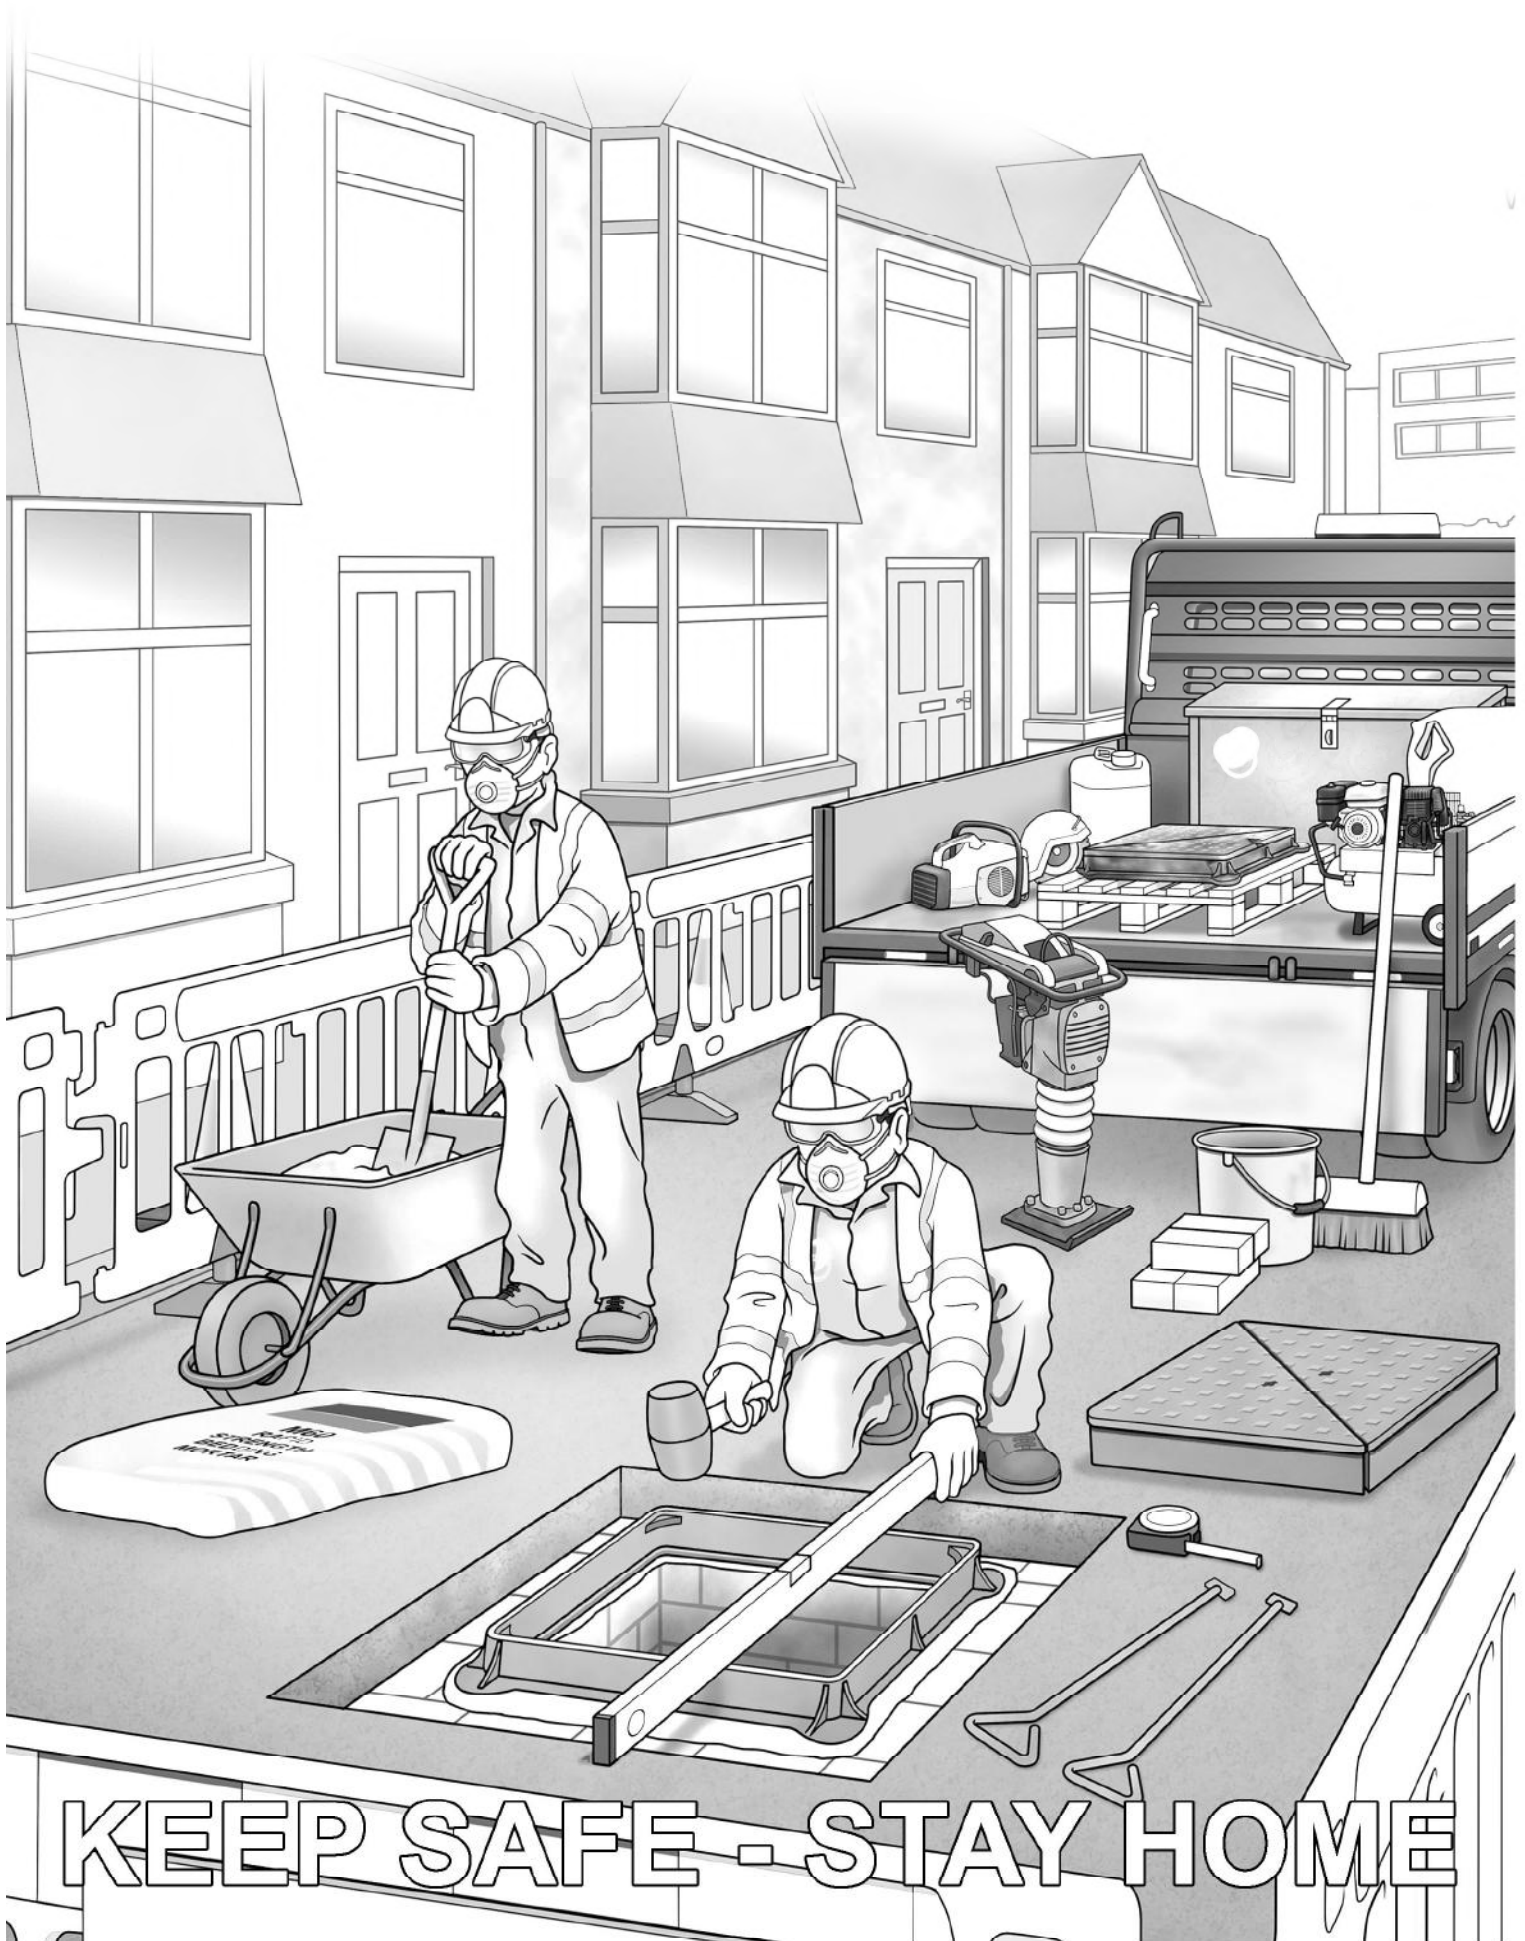

5

KEEP SAFE - STAY HOME

Lanes keyworkers are fixing drains and sewers every single day to stop pollution, if you see us out and about, give us space to work. Remember the 2 metre rule.

KEEP SAFE - STAY HOME

Cleaning and removing blockages from our sewer networks, Lanes keyworkers are keeping the national sewers flowing freely during the pandemic. Give us space to work if you see us out and about. Remember the 2 metre rule.

KEEP SAFE - STAY HOME

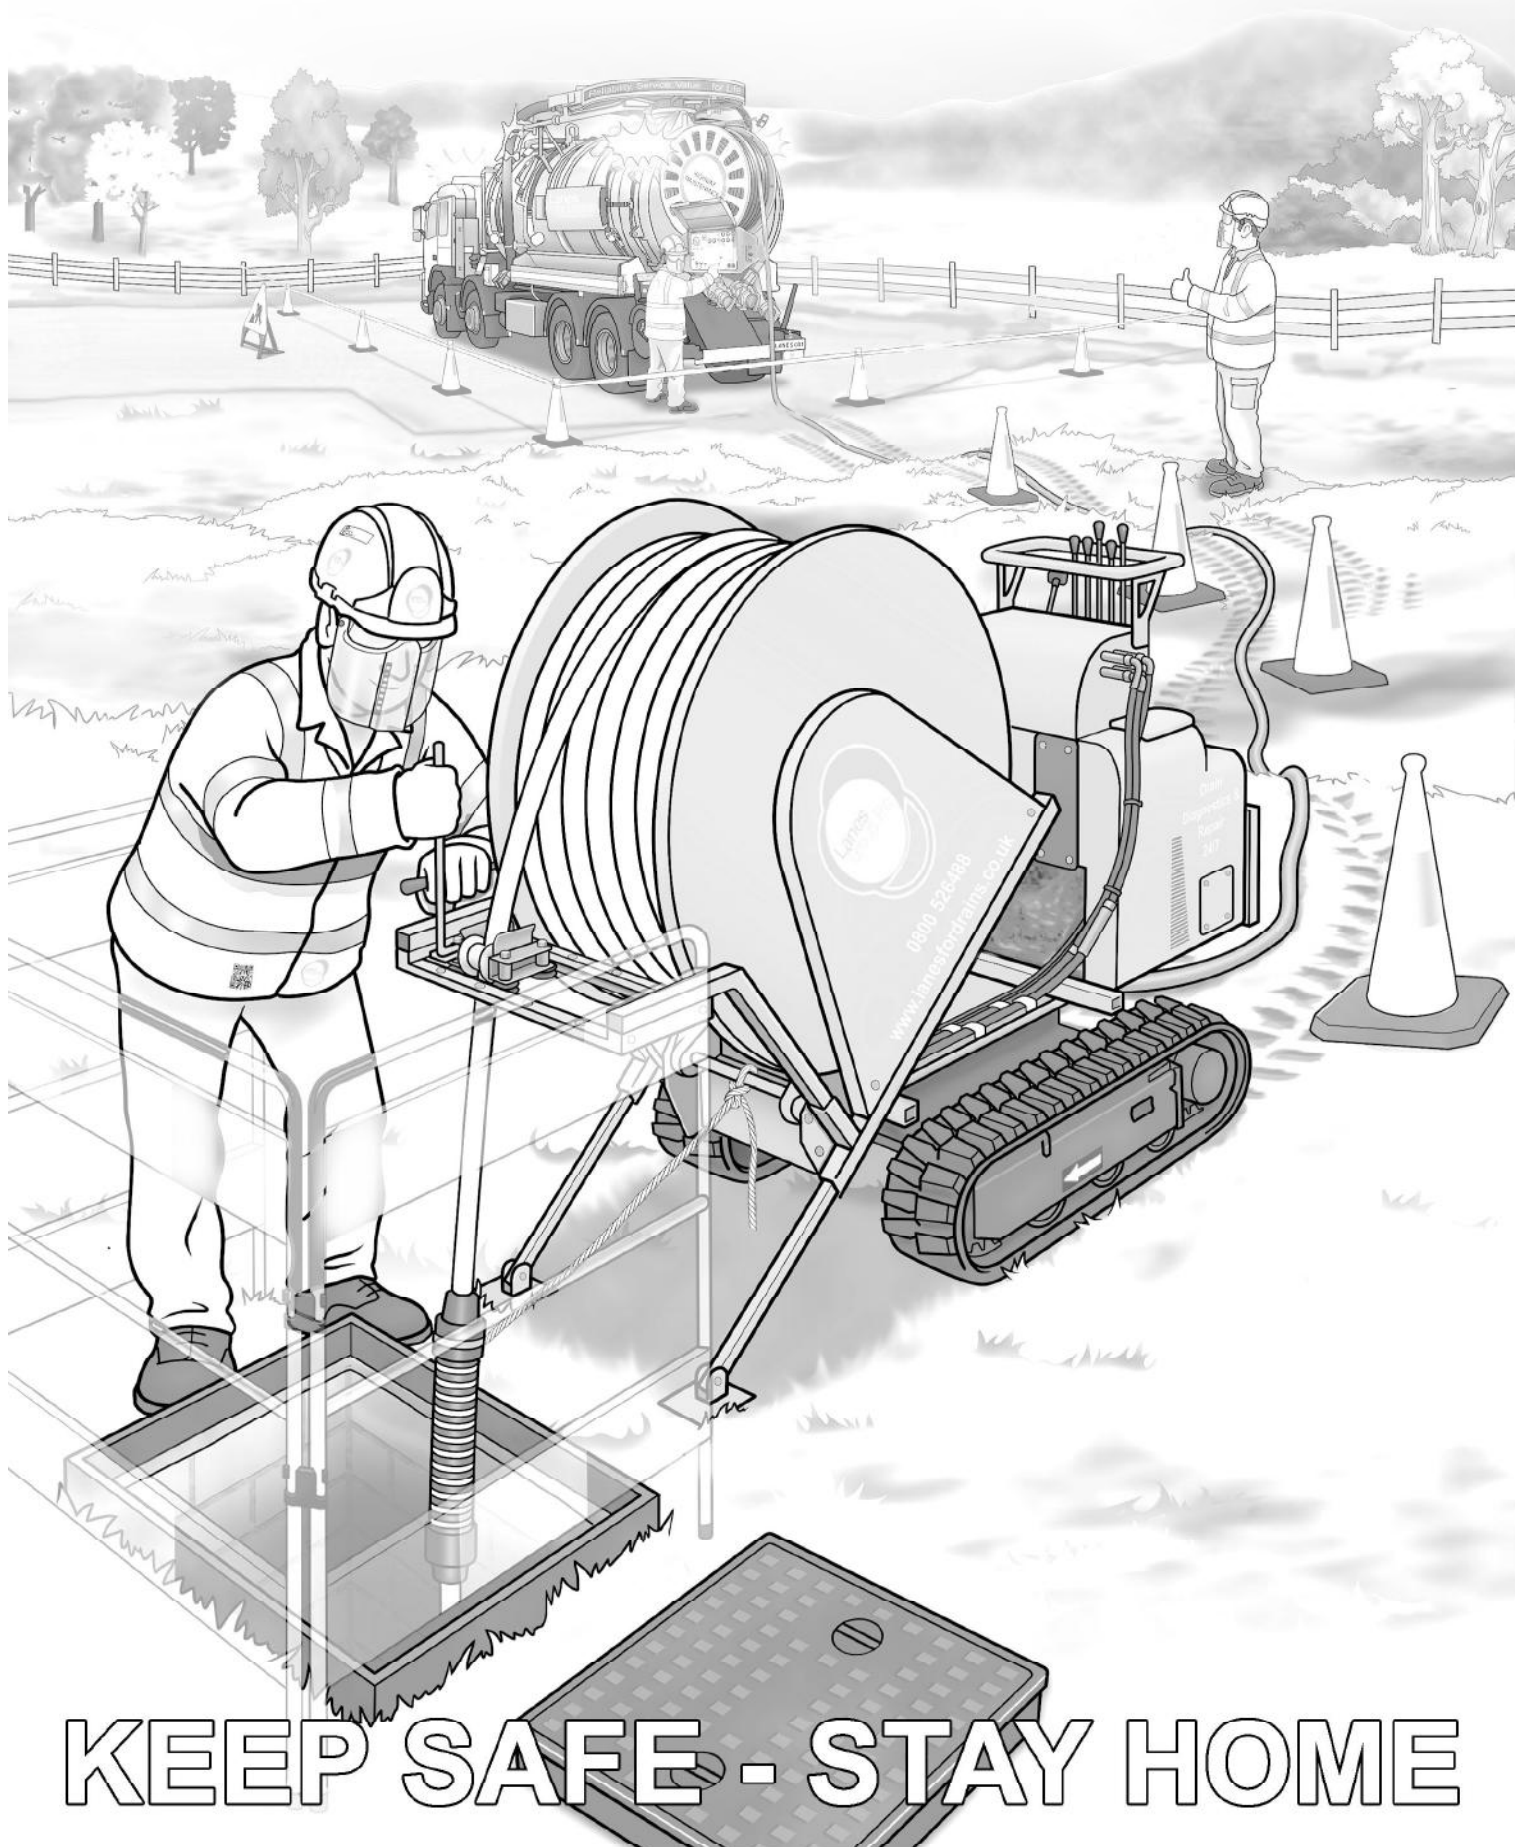

Lanes keyworkers inspecting the drains to make sure that they are running smoothly and not blocked with kitchen roll, FOG and other items that should not be flushed down the drains.

KEEP SAFE - STAY HOME

Lanes keyworkers work in lots of different places even in our beautiful countryside. Do you get the chance to have a walk for your exercise each day? Keep safe, practice social distancing when outside your home.

KEEP SAFE - STAY HOME
