Important instructions about your delivery

Do not dispose of the packaging your order is delivered in before checking your product(s). If there is a rare need for us to collect your goods, they will need to be repackaged for the courier. Thank you.

We've noticed that some items in your order are sold and dispatched by our Trusted Partner. The returns policy for this items is different to our usual returns policy. You can find the returns information for Trusted Partner items [here](#)
