"Customer" means the person using this Recycling Service and agreeing to these terms and conditions.

"Eligible Device" means any device that is eligible for this Recycling Service as determined by Brightstar in its sole discretion.

Customer understands, acknowledges and agrees the Recycling Service is provided by Brightstar and not Apple. Apple has no liability to the Customer in respect of the Recycling Service and agrees not to hold Apple responsible in respect of the Recycling Service received.

Customer represents and warrants that:

- they are the sole owner of the Eligible Device or have been authorised by the owner of the Eligible Device and that they are able to make decisions with regards to the Eligible Device
- there are no liens, encumbrances or security interests in or attached to the Eligible Device and that no other party has a legal interest in it;
- any items Customer seeks to recycle through the Recycling Service shall not infringe on any third-party intellectual property right (including copyright, trademarks, patent, trade secrets or other proprietary right);

Ownership transfers to Brightstar

Upon receipt and acceptance of the Eligible Device by Apple, title of ownership in such Eligible Device transfers to Brightstar from the Customer and Customer disclaims any further right, title or interest in and to the Eligible Device or any items contained therein.

Purchase of new Eligible Device

Customer agrees that the value received by them for their current Eligible Device in the form of a gift card will be used towards the purchase of a new iPhone, Mac, Apple Watch or iPad. There is no

cash alternative and the gift card cannot be traded in or sold or used for any purpose or purchases other than those stated above.

#### Customer's responsibility for their data

Customer agrees that they have the sole responsibility to keep a separate backup copy of any files or data before transferring ownership of the Eligible Device to Brightstar; and that Customer has taken reasonable steps to eliminate and delete files and data that are deemed personal or confidential from the Eligible Device. Data recovery is not a part of the Recycling Service and Apple and Brightstar accept no responsibility or liability for any lost files or data once the Eligible Device is in the ownership of Brightstar.

Brightstar shall take reasonable actions to wipe or remove any stored data from the Eligible Device, however Brightstar accept no responsibility for failure to maintain the integrity or confidentiality of any files or data.

If the Eligible Device is registered as lost or stolen, Brightstar will retain it in accordance with the Recycler Charter. The Eligible Device will NOT be returned to Customer nor will there be any gift card given to the Customer unless Customer is able to prove the legitimate ownership of the Eligible Device within 28 days. It is the responsibility of Customer to inform Brightstar that they are contesting this decision. If Customer is not able to prove the legitimate ownership of the Eligible Device, it will be treated in accordance with the Recycler Charter requirements.

#### General Terms and Conditions

This Recycling Service is provided for lawful purposes only, and Customer agrees to indemnify Apple and Brightstar and any of their directors, officers, employees, affiliates, subsidiaries or agents from and against any claims brought against any of them arising from performing this Recycling Service on Customer's behalf or for any breach of these terms and conditions by Customer.

Brightstar and Apple will under no circumstances be liable for any special, indirect, incidental or consequential damages resulting from this Recycling Service.

To the extent permitted by applicable law, Brightstar, Apple and their affiliates' entire liability, if any, from any cause whatsoever with respect to this Recycling Service shall not exceed 100% of the face value of the gift card.
