[REDACTED]

Now that we have made some progress on the dispensations we need to discuss the format of the P11ds to be prepared for 2010-11. I am keen to involve the House of Commons in the process as I've previously explained, and they are now asking for a suitable date to get together to discuss this.

Please could you let me know whether IPSA is in a position to be able to discuss this? If so, could you please provide some suitable dates in the next few weeks and I'll see if I can arrange something which suits us all. These are due to be submitted in July so time is now of the essence.

Regards,
