Bob,

Happy to do so although I'm not sure what more you need me to do. We are not aware of any more areas of the scheme which could be included in a dispensation but which aren't currently.

My colleague [REDACTED] had forwarded his notes of your meeting last week to me, so I am aware of the changes to the scheme which have been proposed. With regard to the PAYE Settlement Agreement, we raised this with IPSA some time ago. We are still happy to discuss what you might want to include in a PSA.

Please let me know what assistance Mike and I can provide in advance of the meeting on the 24<sup>th</sup>.

Regards,

[REDACTED]

Dear [REDACTED]

We met your colleagues last Wednesday to talk about changes to the MP's expenses scheme and I raised the question of where we stand on the current year. The response was not particularly encouraging but the conclusion was that I should speak to you to carry out a dispensations audit

There is a degree of urgency in this because we are seeing Dave Hartnett on the 24<sup>th</sup> February and Ian Kennedy will expect us to have sorted all this out by then.

Can we have a word on the phone to sort out how we take this forward?

Many thanks,

Bob
