

Thank you for your interest in Glory Reborn!

As an advocate for maternal healthcare, you understand the need for quality service. Our organization, Glory Reborn, is actively providing complete, quality, holistic care for marginalized mothers and babies in Cebu through pregnancy, labor, delivery and newborn care. In the Philippines, 13 mothers die every-day in childbirth, mostly from preventable disease. As a DOH, PhilHealth and DSWD accredited center, Glory Reborn is active in communities to ensure that socioeconomic status does not determine a pregnant mother or baby's health status. Mothers in our program receive complete, quality pregnancy care, which includes: a safe place to deliver their baby, post-delivery care, newborn screening, and continued partnership after birth.

Certainly, none of this would be possible without the generous support of our community. Through our existing network of donors, including advocates from around the world like you, we have been able to assist over 4,500 mothers and deliver over 4,500 babies in our facility, ensuring a healthy and hopeful start to life.

Donations are invested back into the program as follows:

- antenatal care
- safe labor and delivery
- postpartum and newborn care
- outreach and health education

As we look forward to the years ahead, we will continue to offer health and hope to marginalized mothers and babies. We would like to invite you to partner with Glory Reborn Organization for a monthly donation which would directly assist our mothers in greatest need.

If you wish to partner with us please find our banking details attached. You may also make a donation online through [www.gloryreborn.org/donate-today](http://www.gloryreborn.org/donate-today).
