SCRIPT SUBMISSION TERMS

These script submission terms (“Script Submission Terms”, “Agreement”) are entered into as of the date first set forth above (the “Effective Date”), by and between each user (“you”, “user”, “Artist”) and Ubisoft LA, Inc. and its related entities, affiliates, clients, principals, employees, agents, assigns, and licensees, (“Ubisoft”) with respect to scripts and script-related materials submitted or otherwise provided to Company in writing as an electronic submission which may include, but shall not be limited to, a theme, idea, plot, format, synopsis, outline, screenplay, trailer, teaser, artwork, and/or storyboards (collectively, the “Artist Material”).

1. Voluntary Submission of Artist Material. Artist acknowledges and agrees: a) that Artist requested this opportunity to submit the Artist Material to Ubisoft; b) that Artist makes this submission voluntarily and on an unsolicited basis, and Artist has not previously submitted or disclosed the Artist Material to Ubisoft; c) that this Agreement covers and governs i) any and all of the Artist Material, whether first submitted or otherwise disclosed to Ubisoft contemporaneously with, or prior to, or following, the execution of this Agreement; ii) any submission of the Artist Material made to Ubisoft by another source, directly or indirectly, by or through Artist; iii) any submission of the Artist Material made by another means or medium, including without limitation telephone call(s), in-person meeting(s), and/or other form of oral or written communication; and iv) any Artist Material submitted or otherwise disclosed in connection with current projects, materials, and/or other underlying rights wholly owned and/or controlled by Ubisoft (“Ubisoft Materials”). Artist further acknowledges and agrees that Company would refuse to accept, consider, or otherwise evaluate the Artist Material in the absence of Artist’s acceptance of each and every provision of this Agreement.
2. Use of Artist Material. Artist acknowledges and agrees that Ubisoft may use, and grants Ubisoft the right to use, without any obligation whatsoever to Artist and without any payment to Artist, the Artist Material, including, without limitation, a) any part of the Artist Material that is similar to and/or identical to materials under consideration or in development by Ubisoft at the time of Artist’s submission and/or disclosure, or following Artist’s submission and/or disclosure; and/or b) is similar and/or identical to any other material independently created at any time by Ubisoft personnel or any third party; and/or c) constitutes Ubisoft Material. Artist acknowledges and agrees that, with respect to Ubisoft’s use (if ever) of any Artist Material, Ubisoft shall not be obligated to enter into an agreement with Artist or to compensate Artist. Artist understands and acknowledges that Ubisoft itself develops and also receives numerous third party submissions of materials for entertainment content and that such materials may be similar or identical to the

Artist Material. Ubisoft shall have the right to use the Artist Material without any obligation to Artist whatsoever.

3. No Relationship/Joint Venture. It is understood that no confidential or fiduciary relationship is established or implied between Artist and Ubisoft by Artist's submitting the Artist Material to Ubisoft hereunder. It is further understood that no contract exists between the parties relating to the Artist Material, other than that created by this Agreement. Artist agrees that no obligation of any kind is assumed or may be implied against Ubisoft by reason of Ubisoft's review of the Artist Material or any discussions or negotiations Artist and Ubisoft may have, except pursuant to an express written agreement hereafter executed by Artist and Ubisoft which, by its terms, will be the only contract between Artist and Ubisoft.
4. Artist's Representations and Warranties. Artist represents and warrants that: a) Artist is the sole owner and author of the Artist Material; b) Artist has the exclusive right and authority and all rights necessary to submit the Artist Material to Ubisoft upon the terms and conditions stated herein; c) the Artist Material does not infringe upon or violate any intellectual property rights or other rights of any third party (including, without limitation, defamation, copyright, trademark, right of privacy); d) no rights in the Artist Material have previously been granted to anyone nor has the Artist Material otherwise been exploited in any way; and e) there are no liens, claims, encumbrances, pending or threatened actions, litigation, suits, or other claims concerning the Artist Material. Artist agrees to indemnify Ubisoft against any liabilities, losses, claims, demands, costs (including reasonable attorney's fees), or expenses arising in connection with any breach or alleged breach of the foregoing.
5. Waiver of Section 1542. By agreeing to submit the Artist Material to Ubisoft, Artist understands that Artist may be waiving rights with respect to claims that are at this time unknown or unsuspected, and in accordance with such waiver, Artist hereby acknowledges that Artist has read and understands, and hereby expressly waives, the benefits of Section 1542 of the Civil Code of California (or any other similar statute), which provides as follows: **A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his settlement with the debtor.** Notwithstanding such provisions, this Agreement shall constitute a full release in accordance with its terms. Artist knowingly and voluntarily waives the provisions of Section 1542, as well as any other statute, law, or rule of similar effect, and acknowledges and agrees that this waiver is an essential and material term of this Agreement.
6. Assignment. Ubisoft shall have the right to assign this Agreement (or any of its rights and obligations hereunder) to any person, firm or corporation. This Agreement shall not be assignable by Artist and any purported assignment thereof shall be null and void from the making thereof.
7. Preservation of Artist Material. Artist has retained at least one copy of the Artist Material, to the extent possible, and Artist hereby releases Ubisoft of and from any and all liability for preservation or return or, loss of, or damage to, the Artist Material submitted to Artist hereunder.

8. General. Should any provision or part of any provision of this Agreement be deemed to be void or unenforceable, such provision or part thereof shall be deemed omitted, and this Agreement with such provision or part thereof omitted shall remain in full force and effect. This Agreement shall at all times be construed so as to carry out the purposes hereof to the maximum extent permitted by law. Artist is executing this Agreement voluntarily and does so with complete understanding of all of its terms and effects, and every portion thereof. Artist hereby states that Artist has read and understands this Agreement, that no oral representations of any kind have been made to Artist, and that this Agreement states the entire understanding between Artist and Company with reference to the Artist Material and the subject matter hereof. Any modification or waiver of any of the provisions of this Agreement must be in writing and signed by both Artist and Company.
