Expose new players to UniVersus through this pair of great introductory decks featuring Mikasa and Levi! These clash decks not only represent a great step into UniVersus for a new player just after they complete a demo, but the characters in these decks are also unique to this product.

- Each display box contains 8 decks: 4 featuring Levi and 4 featuring Mikasa
- Each deck contains 61 cards (60 cards + 1 character card) focused on that character's particular strengths
- Decks also contain a learn to play guide and a paper playmat
- Built with the new players in mind, these decks feature cards that will help new players get to the fun faster
- Attack on Titan: Battle for Humanity is designed to be friendly to new players while not losing the depth of play established players love
- Featuring two of our most popular characters
- Non-character cards in these decks are found in *Attack on Titan: Battle for Humanity*, providing a good starting point for a new player to build their collection
