**at**

**Betsy & Brian Hodgins Home  
228 David Road**

**Please see page 5 for details about what to bring.**

**Have a Great Summer Everyone...enjoy your Gardens!**

## PRESIDENT'S RAMBLINGS

This will be the last issue of *Cuttings* until September, so I'm trying to collect my wits to think about the Garden Club's summer activities. Sadly, a vicious flu attack kept me from Mary Pottier's Open Garden this month, but I hear it was a great success. I think the flu turned my brain to mush.

Among our favourite summer highlights is the **Garden Party**. Betsy and Brian Hodgins will be our hosts this year and I'm sure we're all keeping our fingers crossed that the weather will cooperate. Details are elsewhere in this issue. As well, many of our members will be helping with the PPP tours in July.

We all look forward to the **Fall Bulb Sale**. Sheila Webster has been spear-heading that since its inception. Everyone on Bowen appreciates the effort she has put into this project—without Sheila, Bowen would not be covered in daffodils each spring. This year Sheila has agreed to submit the bulk order which had to be in by the end of June to assure a good selection and bargain prices. BUT, that will be her final contribution to that project. I have agreed to take over coordinating the 2016 project. I am counting on a small number of our members to volunteer for a “daffodils project committee.” I really don't have time, much less the energy, to do it all myself, as Sheila has been doing all these years. Therefore, if I can get a small committee to share the responsibilities, all will be well. None of us will be greatly taxed. If not, this will be the last year the Garden Club will sell daffodils.

So this is a call for volunteers for a new Daffodils Project Committee. I will be meeting with Sheila to get the full “job description” soon and if you can help, please send me an e-mail message: [smhaggerty@shaw.ca](mailto:smhaggerty@shaw.ca). I will get back to you so we can determine how you might participate.

Have a good summer, and let's hope for more rain than we had last summer (except on Garden Party day!).

Happy gardening.

Sharon, BIGC President

## EDITORS NOTE

**The Bowen Island Garden Club is facing some challenging times.** We have over 325 members but only 20 –30 members volunteering to complete the bulk of the work involved in operating the club. How do we find a balance that allows the club to stay strong and still offer the members lots of garden related functions? We do ask members to step up and run certain positions. Shelia talks about some of them in her article on page 3... where she asks each of you to consider volunteering for some of the board member positions. Sharon also broaches this when asking for volunteers for the Daffodil Project Committee.... OR we can start cancelling some of our programs.

At our past Executive meeting I brought up the topic of cancelling some of our programs ... do we stop having guest speakers, no longer have ENewsletters, cancel the Open Gardens.... OR perhaps pare back each of these areas? For example instead of 9 issues of *Cuttings*, have 4, instead of 9 guest speakers—have 5...and so on. If this makes each volunteer position a little lighter, and then perhaps we will have more Bowenites step up for positions.

**I will list some of the functions, below that we offer and I encourage you to send me a note letting me know what you enjoy about the club... and should we decide to cancel some of our offerings we will have a better idea of what is important to you... the membership.**

**Cuttings Newsletter (9 issues)**  
**Summer Garden Party**  
**Christmas Party**  
**5-6 Open (on Island) Garden Tours**  
**May Plant Sale**  
**Fall Daffodil Sale**  
**4-5 Off Island Tours**  
**9 Guest Speakers**  
**2 Visits to Linnaea Nurseries**

**Please email [marie@marieneys.com](mailto:marie@marieneys.com) about what is important to you.... We would love to know.**

Marie Neys, *Cuttings* Editor

## NEWS FROM CLUB MEMBERS

### Submitted by Club Member

**Sheila Webster:**

#### Plant Sale:

Although a couple of months in the past and a report already done - I would like to comment on the high quality of the plants given to the plant sale this year. Thank you, it makes such a difference to the final sales figure.

I know it is now summer and the plant sale is far from our thoughts, but when you are working in your garden and weed out the self seeded perennials, it is not a big deal to pot them up and keep them in a corner for the next sale. Perhaps it would give a bigger variety of plants.

But thank you for your efforts and supplies in the past. ....Sheila

#### Committee:

1980 saw the election of Jacqueline Bakker as the first Garden Club President. We are now 36 years on .....

The Club has grown from strength to strength with regular speakers, tours, open gardens, parties which generate a great social aspect to our Club. For example, It was in 2005, the 25th Anniversary of the Garden Club that we assembled a booklet called "The Best of Bowen", part of which gave a list of deer resistant plants around the Island.

As we stand at the present the Club has more members than ever before and yet in starting to get together the new Committee we do not have a President, Vice President, Social Director, Editor for Cuttings, Open Gardens, or trainee for Speakers all key rolls to the running of the Club.

Over the summer please give some thought to stepping up, the Commitment is not too arduous and we gain much enjoyment from being involved. If we do not get new blood the Club will continue to be same old, same old with the alternative of collapse. That would be a shame.

If you find yourself moved to take part, please contact me at 0114 and I will be pleased to discuss the role with you. ... Sheila

I want to give a shout out to those who send me articles! I am receiving many generous notes and thus have created a new section in the Cuttings for announcements. Feel free to send me photos of your flowers in bloom or your veggies that are thriving! I will be happy to include them in Cuttings or on our Facebook page.

<https://www.facebook.com/bowenislandgardenclub/>

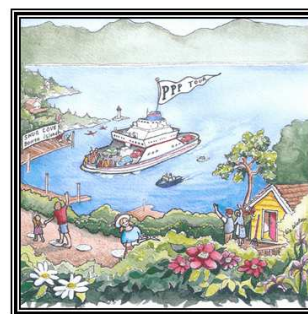

While we don't run general advertising we do encourage stories that help out fellow garden club members . Enjoy this new section!

Marie Neys, Cuttings Editor

## A Peek at Island Life

### Bowen's People Plants & Places Tour

July 16<sup>th</sup> & 17<sup>th</sup> 10:00am – 4:00pm

#### Tickets on sale now
