NEWS AND VIEWS FROM THE BOWEN ISLAND GARDEN CLUB

February 2018

The Mission of the Bowen Island Garden Club is to promote the love of gardening, encourage sound horticultural practices through education, & enhance civic beautification.

Upcoming Schedule:

Monday, February 19, 2018, 1 pm at the Legion. **"The Grafton Community Garden"** featuring Jessica Mitts (see below for details).

Wednesday, February 28th, 1 pm, Live Primula Wreath Workshop (see page 2 for details).

Grafton Community Gardens: On February 19, 2018 at 1 PM the Bowen Island Garden Club welcomes Jessica Mitts who will give us a presentation on "The Grafton Community Garden".

Jessica is a born and raised Bowen Island woman who owns and operates her own land care business called Land Heart and Sky. With a team of volunteers she is an active participant in the Grafton Community Garden, a rural farm and community garden dedicated to building a healthy community and environment, growing food, sharing skills and educating each other.

Jessica will tell us how this model garden, situated in the middle of the Island on a piece of private land zoned for agriculture, offers both volunteer opportunities for individuals to grow vegetables and learn about growing food.

Please join us at the Legion on February 19, 2018 at 1 PM for an inspirational discussion how we can become more thoughtful gardeners by learning more about local food systems, caring for the land and how the objectives of the Grafton Community Garden will benefit all of us. Jessica's passion for the land

and its uses will truly be motivating.
Members no charge, guests \$3.00.

President's Message

The days are definitely getting longer
and this is a relief. My edgeworthia is
starting to bloom and bulbs are coming
up in their very moist
environments. Occasional snow drops
are appearing.

We almost have our Executive in place
and very much appreciate those who
have stepped up including Isabel Otter
for Secretary, Melissa Rahme for
Communications, and Lyn van Lidth de
Jeude for Member at Large. Our
Nominating Committee did trojan
service for our AGM and their diligence
was extremely helpful.

But there is always another need it
seems, and yes we can! Please think
about helping out with coordinating our
Plant Sale in the spring and also helping
Sheila Webster with the Bulb Sale in the
late summer/fall.

Plant Sale

ANNUAL PLANT SALE: May is the month for our Annual Plant sale. As you wander your gardens in the next while, please keep an eye out for any plants that need dividing this spring that you could donate to our plant sale.

Potting soil for the plant sale is available at the home of Dale and Lloyd Harding 1050 Harding road. The soil is down by the road, next to an old black truck and covered with a blue tarp. Please re-cover the soil when you finish so that it is not mud for the next takers. Thank you Dale and Lloyd for giving us the space.

Membership

It is time to renew your membership for 2018 if you haven't done so already. Renewing before the end of February costs only \$15; after that the regular annual fee of \$20 applies.

You can renew in person at a monthly general meeting or by mail. To renew by mail, please complete the membership form available on the club website www.bowenlandgardenclub.ca, then follow the links) and include it with your cheque payable to the Bowen Island Garden Club. The club mailing address is P.O. Box 271, Bowen Island, V0N 1G0. Thanks to those members who have already renewed for 2018.

We would like to welcome the following new members: Alicia Hoppenrath, Colin Kerr, and Peggy and Matt Blackwood.
