

# CATHEDRAL *of the* INCARNATION

AUTUMN 2018

*A House of Prayer for Long Island Since 1885*

If you have been away from the cathedral for a while, welcome home. If you are new to the cathedral, welcome. If you are just passing through, we're so glad you did. If you've been here all along, thanks be to God!

Autumn on Long Island is a season in which the swift passage of time and the fleeting nature of our mortal lives is brought into focus by the natural world and the pace of activity. As the leaves change and fall - as school and programs start up again - as temperatures drop and summer becomes a distant memory, our bodies and souls yearn for connection and warmth. Memories of autumns past; of beginnings, endings, and new beginnings enter our consciousness.

The cathedral stands as a sacred touchstone in the midst of this season of change. It endures as a custodian of memory, transformation, and inspired beginnings. With its pinnacles reaching heavenward, the cathedral proclaims the faith of the ages in the midst of time: Christ has died, Christ is risen, Christ will come again.

Our theme for study and spiritual reflection this program year is: "Faith in the Future." The mysterious nature of a cathedral as both religious monument and living witness, has much to teach about the connection between time and eternity. The Apocalyptic nature of the Christian faith brings with it a spiritual urgency that may cause anxiety about the future of earthly things.

"Faith in the Future" invites us to investigate topics like: how did the ancients envision the future? How will technology impact the future of faith? What will church look like in the future? What sort of world do we envision for our children's future? What does our faith say about mortality and our life in eternity?

We will be visited this autumn by inspiring speakers, musicians, preachers and teachers. Members of the cathedral clergy and staff will be launching new programs to deepen our faith in the future supported by exceptional volunteers. It will be a rich season for us to worship, connect, grow and serve together in this community of care.

I hope you are inspired by the images and the messages in this newsletter to partake fully in our common life. As the seasons change and we look toward the future together, I am so glad to share this journey of faith with you.

May God bless you,

Michael+

The Very Rev. Michael Sniffen,  
*13th Dean of the Cathedral*

## All Hallow's Eve Liturgy and Tour

October 31st, half hour timed tickets available between 6:30pm and 9pm

On this All Hallow's Eve, you are invited to walk the bridge between the living and the dead as we journey together to the Cathedral Crypt to honor the souls of Garden City's founders, who were buried there over a century ago. Follow burning lanterns as we walk the cathedral's sacred grounds, hear ghost stories, honor our faithful ancestors, and perhaps find out once-and-for-all if the Cathedral of the Incarnation is haunted.

The program is appropriate for families and people of all ages. Be prepared for fire, smoke, loud noises, apparitions and prayers by candlelight. Following the program, be sure to "trick-or-treat" at See House, the historic mansion of the bishops of Long Island since 1880.

Free and open to the public, but tickets are required. Timed-entry tickets are available at [tinyurl.com/CathedralAllHallows](http://tinyurl.com/CathedralAllHallows).

## Presiding Bishop of The Episcopal Church, the Most Rev. Michael B. Curry Preaches this November

The Presiding Bishop will be preaching at the cathedral on November 18th for one service only in celebration of the 150th anniversary of the Diocese of Long Island.

Presiding Bishop Curry maintains a national preaching and teaching ministry, having been featured on The Protestant Hour and as a frequent speaker at churches, cathedrals, and conferences around the country and internationally. Most famously, he preached at the royal wedding of Prince Harry and Meghan Markle this year.

He has authored three books: *Following the Way of Jesus: Church's Teachings in a Changing World* (2017); *Songs My Grandma Sang* (2015); and *Crazy Christians: A Call to Follow Jesus* (2013). He was one of the subjects of *In Conversation: Michael Curry and Barbara Harris* by Fredrica Harris Thompsett (2017).

# Music in Worship

**Canon Larry Tremsky**

*Director of Music*  
ltremsky@incarnationgc.org

Fall 2018 will see a lot of activity in the music program. The arrival of the rebuilt Steinway concert grand piano will be a significant addition to our musical life, and the Music in the Cathedral brochure and our website ([www.incarnationgc.org/music](http://www.incarnationgc.org/music)) list the many concerts and special events for the new season. In addition, we're delighted to welcome Colin MacKnight as our new associate organist/choirmaster!

As a new choir season begins, we wish to highlight a wonderful new opportunity for children, the Junior Choristers. This group of younger singers will rehearse weekly, on Tuesdays from 6:30-8:00pm, and will sing twice a month at the 9:15am Cathedral for Kids Mass, joined by some of the older choristers. After Mass, they will go off to their Church School classes at Fellowship in Faith in the Mercer School.

The Junior Choristers will learn sight-singing, music-reading, and healthy singing technique in a fun, gentle, low key, no stress atmosphere allowing each child to progress at their own pace. This is a wonderful way for your child to meet new friends in a safe, caring environment, have a lot of fun, and to learn something new that will stay with them for life.

*Sunday, October 7th at 4pm*

Bring your pets, great and small, to the cathedral for this annual favorite which features music by the Cathedral Choir. This special evensong is short enough to hold the attention of the average pet.

**Choral Evensong for All Saints' Day**

*Sunday, November 4th at 4pm*

This evensong will feature music in celebration of the Feast of All Saints, including the anthem *I will set his dominion in the sea*, by Horatio Parker, written specially for the Cathedral Choir in 1891.

**Choral Mass with the Royal Hospital School Chapel Choir**

*Sunday, October 14th at 11:15am*

The Chapel Choir of The Royal Hospital School is a prestigious ensemble who perform regularly on television and radio from St. Paul's Cathedral, London and the Royal Albert Hall. They have toured at numerous international venues including St. Peter's Basilica in Rome and Notre Dame in Paris. They will perform at the cathedral's 11:15am Choral Mass as part of their 2018 tour of New York.

# We Welcome You

**The Rev.  
Michael F. Delaney**  
Canon Pastor  
mdelaney@incarnationgc.org

“How do I become a member of the Cathedral?” is a question that we quite often hear. My response has always been, “Well, you just need to come to church on a regular basis.” But it is certainly more than that. It’s about discerning

whether the cathedral is the right fit for you and your family. Which style of liturgy most appeals to you: Do you prefer a ‘said’ Mass using the traditional Old English language of the Church? Are you looking for a Mass focusing on the young and the young at heart? Or are you taken deep into prayer at our Choral Mass? Are you looking for a church where you can raise questions about life, faith and how they intersect with the world?

The cathedral is a very diverse community of people of “all sorts and conditions” (BCP p. 814) where everyone is not only welcomed but embraced.

One of the ways that you are invited into that embrace is through a process called the “Catechumenate”, a series of opportunities to question life, spirituality, faith, the Bible, God and the Church. Participation in the Catechumenate can lead to the sacraments of Baptism and Confirmation or being formally received into The Episcopal Church. It can also be a way to reaffirm and renew your life of faith as an Episcopalian.

So “how do you become a member of the Episcopal Church?” Begin the Catechumenate process by joining our Discovery Class at Fellowship in Faith on November 25th.

## Ministry Meet-up and Sign-up

*Sunday, September 9th, 11am*

Join us on the lawn for a special extended summer coffee hour where you can learn about the many opportunities to connect, grow, and serve at the cathedral in the upcoming year. Ministry representatives will be available to tell you more about programs like Fellowship in Faith, INNcarnation, Cathedral Archives, the Prayer Shawl Ministry, and more. Sign up for something and get connected to life at the cathedral!

## Yoga in the Cathedral

*Fridays at 7pm, beginning October 12th*

Candlelight yoga by donation. Bring a mat and unwind from your week in this sacred space!

## Fellowship in Faith Open House

*Sunday, September 16th, 10am to 11am*

This September, we will be introducing a new, hour-long intergenerational fellowship time, which will take place at Mercer School. This program represents a shift toward a more effective model of “Church School” in which adults and children learn alongside one another in an atmosphere of curiosity and care.

This will be a wonderful opportunity for members of the cathedral congregation who attend different services to meet and discover new ways to explore our faith together.

This will also expand the options for families who come to Fellowship in Faith to choose to participate in either the highly interactive 9:15am service (45 minutes) or the traditional 11:15am service (70 minutes). There will no longer be a time conflict between Christian formation and the 11:15am service.

Delicious coffee and refreshments will be served! See you there!

# Family Ministry

A Service for the Young  
and the Young at Heart

## Announcing our new Family Mass: Cathedral for Kids!

Sundays at 9:15am,  
beginning September 16th

The new 9:15am “Cathedral for Kids” is a service for the young and the young at heart!

The service will include interactive music, traditional hymns, scripture, storytelling, and communion. It will be more engaging for smaller children and adults alike and will offer teaching on themes that connect our prayer life to spiritual and social learning.

### The Rev. Morgan Mercer Ladd

Minor Canon for Family Ministry  
mladd@incarnationgc.org

We may be starting our year in the green, growing Sundays of Pentecost, but you will be seeing many changes here in Family Ministries this Fall. We are starting the year off right in our new Cathedral for Kids Mass, a service that makes traditional cathedral worship accessible for people of all ages. And we will be learning together in our Fellowship in Faith gathering, which creates new opportunities for families to learn and pray together. In everything we do, we are inspired by our core values of Connection, Imagination, and Joy. We believe that spiritual growth happens when we are deeply connected to God and each other, and we believe that both adults and children experience God when they can imaginatively engage their faith with wonder and playfulness. And most importantly, we believe that spiritual growth comes to us when we find joy in our worship and in our community. It is our prayer that as we embark on new beginnings this year, God will find you in equally new and unexpected ways!

## Fellowship in Faith

Sundays at 10am, beginning with an  
Open House on September 16th

Each week there will be a variety of developmentally-appropriate creative activities for children ages 2–12 as well as opportunities for scripture study and holy conversation for adults. Parents can choose to join their children or attend an adult class on their own.

Fellowship in Faith will take place at the Mercer School, just across the Cathedral Campus. Follow the unicorn hoof prints after Cathedral for Kids to find your way there! Registration will take place after the 10am Mass on September 9th.

## Cathedral Youth

Second Sundays Of The Month 10am  
to 11am, Plus Monthly Activities;  
Begins September 30th

Cathedral Youth (CY) is a fellowship and formation program for young adults ages 12–16. CY gathers for Second Sundays, a space for exploring Scripture and spiritual practices on Sunday mornings during Fellowship and Faith.

CY also gathers monthly for a variety of service and fellowship activities. Join us as we volunteer at a local CSA farm, go rock climbing, explore NYC, and engage our faith through service to our community.

Orientation for parents and young adults will take place on September 30th during Fellowship in Faith at 10am. During this meeting, we will go over the new Cathedral Youth meeting schedule and the field trips and retreats scheduled for this year. We will also answer any questions about the new Confirmation process and how one begins the discernment process.

## Adult Education Series: Apocalypse: Then and Now

Oct. 10, 17, 24 – 7:30pm – Mercer Library

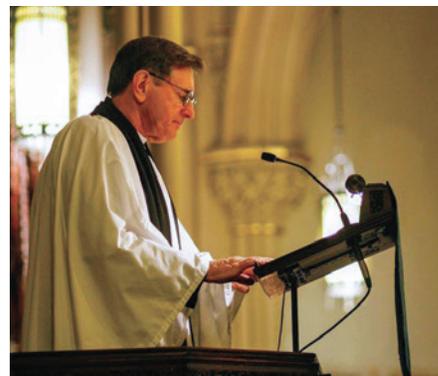

The New Testament ends with a book both frightening and hopeful, named The Revelation to John, but more often referred to by its single word name “Apocalypse”. It does not stand alone in the Bible (Daniel is its best friend) and certainly does not stand alone in literature and art through the ages. We’ll look at some of this, what does it mean, why is it so different, what does it say about the author’s world and our future? Time and space, straight lines and curves, history and eternity, art and writing all take on new meanings in *Apocalypse: Then and Now*. Come join Canon Griffith and others for a three-week romp through hell and heaven. Get ready for the new volume of *The Saint John's Bible*, Letters and Revelations, coming in November.

If summer is about thirteen weeks long, then Rita and I spent almost half of it in England, Scotland, the Netherlands and Belgium. Our five+ weeks in Britain was a wonderful opportunity to see friends, family, and places one or both of us have never been. We saw everything from great cathedrals to a gravestone for Ebenezer Scrooge. We visited Cologne, Brussels, Ghent, and Bruges after a week in Amsterdam (during which Rita worked and I museum-crawled).

I am looking forward to the new autumn schedule, especially to the newly-crafted family liturgy and the opportunity to participate in Fellowship in Faith. It is always nice to have a little more time to be with people on Sunday morning rather than simply be in front of people all morning. Finally, the second Sunday in November falls on the 11th, the 100th anniversary day of the cessation of fighting in World War I, the Great War as it is known in most countries of Europe. Everywhere we travelled this summer there were signs of this upcoming special commemoration. We still live with the results of the Peace Treaty of 1919. May we once again practice peace not only on fields of battle but in the streets, homes, and hearts of our country.
