

## MAGNA CARTA FIELD ARCHERS

Spring Open Shoot  
April 9th 2017

Sunday 9<sup>th</sup> April turned out to be the warmest day of the year so far and, having been blessed with fine weather we were also blessed with a great turnout of 60+ archers all champing at the bit to get to grips with our new course. Bernie and Terry had set 38 deceptive targets in two loops which gave everyone the chance to pause for the excellent refreshments provided by Claire, Anne and Paul. Thank you for all your hard work and preparation.

Our course is split into two halves – the flattish Rhododendron infested part and the infamous hill which this year has even more ups and downs – more suited, it would seem, to mountain goats than archers.

Nevertheless, the general opinion was that this was yet another classic Magna Carta course with only a couple of details for our new course setters to sort out for the next shoot (Many thanks to those who pointed out the odd issues on the day).

A big thank you must go to the course team of club members who worked long days in the off season and also on the day to get the course ready, organise parking and then help clear up afterwards....you know who you are, so thank you!

The club goes from strength to strength so if you live within driving distance and want a great all year course to shoot over, please consider joining us. Details are on the web site.

Our shoots in 2017 can be also found on our website and also the NFAS shoot list.
